Carrie Nations Nemaha
 Mrs. Carrie Nation is in Nemaha, coming on the 7:30 freight Thursday evening without any notice. Arrangements were made for her to speak at the Methodist church, and at 8:15, when the services commenced, the church was filled. Mrs. Nation took her place on the restrum, rammed her hands in her pockets, and made one of her characteristic speeches, scoring republicans, democrats, populists, and everybody who doesn't believe as she does. At the close of her speech a collection was taken, without solicitation on her part, the services were closed, and then Mrs. Nation was kept busy for some time selling hatchet pins at ten cents each. The curiosity of our people to see and hear the famous Carrie Nation has been gratified.

The Methodist Sunday school gave a pleasing Easter entertainment Sunday night, entitled "In Joseph's Garden." With the exception of the prayer and an address by Rev. D. B. Lake, the leading of the responsive service by Dr. Keeling, a recitation by Miss Cora Heath, and a solo by Miss Lillian Minick, who also presided at the organ, the smaller children gave the entire program, and it was one of the best entertainments ever given in Nemaha. The little folks all did exceedingly well. Every word spoken could be heard distinctly in all parts of the room and not one required prompting. Miss Lillian Minick had charge of the entertainment and is deserving of much credit for the excellent manner in which she trained the children. The church was handsomely decorated with evergreens and artificial flowers. A collection was taken for missions and \$11.72 was raised.
