Early Riser
Anchor
Diadem
Flour
 Have you used those brands? If not, try one sack and you will find that you never had any better bread on the table.....
 Ask your merchant for this flour and if he says "the other brands are better" it is because he makes more money on the other brands. On the Early Riser, Anchor or Diadem he only makes a small per cent.....
 Buy a box "Best of the Wheat" It is ahead of all oatmeal and will take the place of oatmeal and many other foods. It is cheap—only 10c a box or 3 for 25c. Ask your grocer for it and if he don't keep it send to the mill.
