JOHN MAXWELL DEAD

John Maxwell died at his home, one mile northwest of Nemaha, Tuesday, July 8, 1902, at 12:20 a. m. Mr. Maxwell had been gradually failing in health for some time, but was able to be up and around the house and yard last Sunday, but was taken sick that day. His death was caused by the ailments incident to old age, combined with a little malaria.

John Maxwell was born in Scotland June 22, 1824, being 78 years and 16 days old at his death. He was married to Miss Ann Wardrop January 1, 1847. In 1852 they emigrated to America, locating at Buffalo, New York, where Mr. Maxwell worked at his trade as a shoemaker. The following year they moved to Sterling, Illinois. In 1867 they moved to Nemaha county. When the county commissioners bought the county poor farm Mr. Maxwell was selected as the superintendent taking possession in January, 1869, and held that position for almost 33 years, resigning in December last on account of failing health. He was peculiarly fitted for that position, combining gentleness and sympathy with the necessary firmness required in looking after the unfortunate persons who were under his care. He won the affection of all these inmates during the many years he had charge of the farm, and was respected and honored by all his neighbors and acquaintances. He was a man of the strictest integrity and truthfulness. No citizen of the community was ever held in higher esteem than was John Maxwell.

Sad indeed is the home to Mrs. Maxwell without the companion with whom she has lived for over fifty-five years. Together they have shared the joys and sorrows of these many years. Lonely will be the days until she too is called up higher to join the loved ones who have gone before. May the loving Father comfort her in her great bereavement.

To Mr. and Mrs. Maxwell were born eleven children, seven of whom are living—one daughter, Mrs. Agnes Hacker of Stella, and six sons—John Maxwell, jr., of Menlo, Kansas, Daniel W., William G., Walter S. and Edward J. Maxwell, all living in Nemaha precinct, and Alexander Maxwell, living in Pawnee, Oklahoma. There are also twenty-one grandchildren and four great-grandchildren.

The funeral services were held at the home at 2 o'clock Wednesday afternoon. Rev. D. B. Lake preached the funeral sermon. The members of Victory lodge, I. O. O. F., to which deceased belonged, held brief ritualistic services at the cemetery.

Early Riser Flour

Have you used those brands? If not, try one sack and you will find that you never had any better bread on the table.....

Ask your merchant for this flour and if he says "the other brands are better" it is because he makes more money on the other brands. On the Early Riser, Anchor or Diadem he only makes a small per cent.....

Buy a box "Best of the Wheat." It is ahead of all oatmeal and will take the place of oatmeal and many other foods. It is cheap—only 10c a box or 3 for 25c. Ask your grocer for it and if he don't keep it send to the mill.

Read it in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by W W Keelling.

Constipated Bowels

To have good health the body should be kept in a laxative condition and the bowels moved at least once a day so that all the poisonous wastes are expelled daily. Mr G L Edwards, 142 N Mainstreet, Wichita, Kansas, writes: I have used Herbine to regulate the liver and bowels for the past ten years and found it a reliable remedy. 50c at Hill's
