

RITCHEY'S SEMI-ANNUAL Clearing and Remnant SALE

It is our custom to make a special effort to clean up all lines of goods in their season, and collect all remnants, measure and mark them, and place them on counters so you can look them over. Among them will be pieces ranging in length from one to ten yards, in many cases sufficient to make a large person a dress. These will consist of Lawns, Dimities, Batistes, Mulls, Swiss, Muslins, Prints, Toweling, Gingham, Embroideries, and many things we cannot enumerate here. Our expenses are light and we will sell you the goods accordingly.
