ANOTHER BRICK STORE ROOM
Nemaha is to have another brick store room. John M. Clark and E. L. Paris have bought twenty feet south of the Odd Fellows building and will put up a brick store room 20x60 feet, one story high, with iron front like that in Odd Fellows building. They intend to use it for a meat market. The building is to be completed by November 1st. T. C. Daugherty has the contract.

Knapp Bros. had another little runaway Thursday. They drove the dray team, hitched to the hack, in front of the Advertiser office and left them standing. The horses became restless and started for the barn, but turned too short and upset the hack. They circled around in the street several times before they were stopped. One spring to the hack was broken, one wheel damaged and other damages sustained. This hack is unfortunate, as it has been in numerous runaways.

Take the wagonette when in Auburn if you want to go to any part of the city. John McElhaney, prop.

DEATH OF G. W. SHIVELEY

George W. Shiveley died at his home in Nemaha early Monday morning, September 8, 1902, aged 59 years, 9 months and 14 days. He has suffered for some time from heart disease, which caused his death. A few weeks ago he went to Omaha and consulted specialists, but they gave him no relief. He realized that death was near and made his arrangements accordingly.

Mr. Shiveley was born in Adams county, Ohio, Dec. 25, 1842. He was married to Miss Paulina J. Nelson in 1864. To this union six children were born, four of whom died in infancy. His first wife died in 1874. In 1875 he married Mrs. Susan Robinson. To this union six children were born, four boys and two girls, all of whom survive him. He leaves a wife and eight children.

Mr. Shiveley was a man of integrity and was highly respected. He moved on a farm in Aspinwall precinct about twelve years ago, living there until last year, when he bought property in Nemaha and moved here.

The funeral services, conducted by Rev. T. C. Diltz of Brownville, were held at the Prairie Union church on Tuesday, September 9, 1902, and the remains laid at rest in the cemetery at that place. The bereaved wife and children have our sympathy.

We wish to extend thanks to those who so kindly assisted through the last sickness and burial of a loving husband and our kind and loving father.

This Herbine will do; it is a tonic, laxative and restorative. H. J. Freegard, prop'r Grand View hotel, Cheney, Kas, writes: I have used Herbine for the last 12 years and nothing on earth can beat it. It was recommended to me by Dr Newton, Newton, Kas. 50c at Hill's.
