We are pleased to learn that our friend Charles F. Neal was elected county attorney of Ada county, Idaho, of which Boise is the county seat, by a majority of 860. Charley writes: "This is to inform you that a native of Nemaha county has gone west and grown up with the country. As a result of the election Tuesday I was elected on the republican ticket as county attorney of this county by a majority of about 860. Every member of the state ticket has been elected by majorities ranging from five to seven thousand. The legislature will be republican in both houses, and on joint ballot will be republican fifty-four to thirteen."

A MAGAZINE THIRTY YEARS OLD. The Christmas (December) number of The Delineator is also the thirtieth anniversary number.

To do justice to this number, which for beauty and utility touches the highest mark, it would be necessary to print the entire list of contents. It is sufficient to state that in it the best modern writers and artists are generously represented. The book contains over 230 pages, with 34 full-page illustrations, of which 20 are in two or more colors. The magnitude of this December number, for which 728 tons of paper and six tons of ink have been used, may be understood from the fact that 91 presses running 14 hours a day have been required to print it; binding alone of the edition of 975,000 copies representing over 20,000,000 sections which had to be gathered individually by human hands.

CONDENSED, ACCURATE, HELPFUL. The busiest people read the Youth's Companion because it is condensed, accurate and helpful.

Its weekly summary of important news is complete and trustworthy.

Its editorial comment on political and domestic questions is non-partisan. It aims to state facts in such a way that the busiest person can use them as a basis of an intelligent opinion.

It reflects on every page the wholesome, industrious, home-loving, home-making side of American life, the life of noble aims and honorable ambitions.

A full announcement of the new volume will be sent to any address on request. The new subscriber for 1903 who sends \$1.75 for the new volume at once will receive free all the remaining issues for 1902, including the Double Holiday Numbers, also The Companion calendar for 1903, lithographed in twelve colors and gold.

Traveling Is Dangerous.—Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hausan, locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.
