All our former readers should take advantage of the unprecedented clubbing offer we this year make, which includes with this paper The Iowa Homestead, its Special Farmers' Institute editions, and The Poultry Farmer. These three publications are the best of their class and should be in every farm home. To them we add for local, county and general news our own paper and make the price for the four for one year \$1.35. Never before was so much superior reading matter offered for so small an amount of money. The papers named which we club with our own are well known throughout the west and commend themselves to the reader's favorable attention upon mere mention. The Homestead is the great agricultural and live stock paper of the west. The Poultry Farmer is the most practical poultry paper for the farmer published in the country, and the Special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer.

Traveling is Dangerous.—Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hausan, locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure. Nice fresh oranges one penny each at Battles'.

Jim Knight has moved on the Fred Lampe farm northeast of Nemaha.

Joe Titus has gone to Casper, Wyoming, to visit relatives and see the country.

John Sapp, an attache of the Brownville Biograph, called at this office Wednesday.

The meetings at the Methodist church increase in interest. The attendance is good and is growing. There have been several additions to the church.

Mrs. Mand Monteith and son of Comstock, Nebr., arrived in Nemaha Thursday afternoon on a visit to her mother, Mrs. E. A. Minick, and her sisters, brothers and friends.

The Davis Family Vaudeville Co. gave an entertainment at the opera house Thursday night to a fair crowd. They give another entertainment tonight, going from here to Brock.

Charles B. Macker, our popular county clerk, and Miss Elsie Hacker were married at Auburn last Sunday. The Advertiser extends heartiest congratulations and best wishes. May their married life be a long and happy one.

The class in Creighton medical college of Omaha, of which Fay Gaither is a member, had examination this week. Fay stood highest in the class, which numbers 45. This is a fine record, but Fay is a first class young man, steady and of studious habits. We believe he will rank as one of our leading physicians if he continues the way he has started.

Lemuel Goldsberry and one of his sons plead guilty to horse stealing before Judge Stull. They had applied for a change of venue but concluded the best thing for them to do was to plead guilty, thus saving the county the expense of the trial, and get as light a sentence as possible. The old man was sentenced to three years and the young man to two years in the penitentiary. The other son is out on bail and will have his trial at the next term of court.

Mr. and Mrs. Wm. Workman have had their matrimonial relations dissolved by the district court. When they were married, about a year ago, Mr. Workman deeded his new wife 40 acres of land. In the settlement she deeded the land back to Mr. Workman and he paid her \$300. This is the same woman who married I. J. Jarvis a few years ago and was afterward divorced, and was awarded a life interest in 40 acres of land. She seems to make money by marrying and being divorced.

**The Easy Pill**

Dewitt's Little Early Risers do not gripe nor weaken the system. They cure biliousness, jaundice, constipation, and inactive liver, by arousing the secretions, moving the bowels gently, yet effectually, and giving such tone and strength to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous little pills exert a decided tonic effect upon the organs involved and if their use is continued for a few days there will be no return of the trouble.—W. W. Keeling.

Physical geography will soon be a thing of the past and the members of the ninth grade are rejoicing.

Mrs. Clara Dooley, daughter of Mr. and Mrs. H. Schoonover of Brownville, was buried at that place Monday afternoon. Mrs. Dooley was a resident of Sheridan, Wyoming. She had been sick at her home and was in a hospital there, but not getting better she started for a hospital in Denver, but got worse and had to stop at Alliance, where she died last Saturday. She was 32 years of age. The funeral services, conducted by Rev. M. S. Foutch, were held at the Methodist church at Brownville at 4:30 p. m. Monday.

One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c at Keeling's, druggist.

Rev. M. C. Aldredge will preach regularly at the Cumberland Presbyterian church (Mt. Pleasant) every two weeks. Everybody is invited.

**Constipated Bowels**

To have good health the body should be kept in a laxative condition and the bowels moved at least once a day so that all the poisonous wastes are expelled daily.
