Met With Warm Reception.

Vigo Nelson, an employe of the Bell Telephone company of Fremont, and Clara Teltge, a 17-year-old girl, ran away to Council Bluffs and were married. When they returned, Mrs. Teitge was not in a forgiving mood. and she at once started to administer a good dose of corporal punishment to her recreant daughter in the same manner she formerly did when Clara was a little girl in short dresses, in the meantime hurling a torrent of mixed German and American epithets at the astonished groom. The sheriff was called in and finally succeeded in quieting the affair. A little later Felix Teitge, the bride's big brother, found out about her marriage and started on the trail of his new brother-inlaw, swearing he would kill him on sight. The groom heard that Felix was after him, and was almost frightened out of his senses. He went to the jail door on the run and begged the sheriff to lock him up for safekeeping. Bauman accommodated him and as the bride didn't dare go home and had no other place to stay, she went to the jail, too.

Roosevelt's Nebraska Trip.

After luncheon a ride of about 25 miles has been arranged for, Senator Dietrich being among those who act as his escort, Mr. Roosevelt will leave Grand Island early in the morning of the 27th of April and will run to Hastings, where he is due at 10:10 a. m. From Hastings the presidential train will go to Lincoln, thence to Fremont and Omaha, where he will rest for the night.

Father Had to Settle.

Lawrence Spahm, about 22 years of age, was returning from Kansas to his home in Deuel county on horseback. At Grand Island he shipped the horse to Ogallala on the Union Pacific. After the agent had sealed up the car and made the freight bill, young Spahm went back to the car, broke the seal and crawled into the car. The train reached Ogalla late than a three per cent. basis, Wednesday night. The car was switched onto a siding and Spahm jumped his pony out of the car and rode off. Sheriff Harrington followed him to his father's place in Deuel county. The father accompanied them back to Ogallala and settled the score and the young man was allowed to go.

Fishing Resort Wiped Out.

Lake Erickson, near Spalding, which has afforded the pleasure seekers for miles around such a fine hunting and fishing resort, is now wiped off the map. A break in the dam relieved it entirely of its water, and the cost to repair it will probably be more than the owners will care to expend. This will probably stop operation of the Cedar valley irrigation canal also, as this lake furnished the supply of water for the ditch.

State Prison Report.

The report of Warden Beemer, of the state penitentiary, for the month of February shows that 12 men were discharged during the month and 14 were taken in. The total number of inmates at the end of the month was 287. Of these 186 were employed under contract by the Lee Broom & Duster company, and put in 1501/2 days. One man was sent to the dungeon for two days for refusing to

Revenue Bill Passed House.

The state revenue bill passed the house, 70 to 21, and was sent to the senate, which will likely pass it. Of the 70 votes in the house for the bill, 67 were republican and 3 fusionlsts. Of the 21 negative votes 2 were republican and 19 fusionists. Six republicans were absent and not voting, also two fusionists. Loomis, the fusion leader, was one of these. He was sick and unable to be present at roll call. He sent a written request, however, that his vote be recorded against the bill, which was not allowed under the rules. Gov. Mickey will affix his official signature to the bill without hesitancy. He has committed himself in favor of this measure. Of it he said: "I am glad to see this bill passed. I believe it will afford us relief that we so much need, We ought, and I believe will, derive through it a total assessment of \$500,-000,000. This state is in a bad condition with this debt of over \$2,000,000 hanging over it and we cannot hope for the greatest substantial progress unless we efface that debt."

Killed the "Landlord" Bill.

There was a big fight in the state senate over the landlord bill introduced by Umstead, of Nance. After much discussion, the bill was ordered engrossed for a third reading, with the amendments offered by the committee. The section over which the fight occurred and which was ordered engrossed, is as follows: "A landlord shall have a first lien upon one-half the crops grown upon the demised premises from the planting of said crops, until one year expires or until the rent is paid. Said lien may be enforced by foreclosure in the same manner as chattel mortgages are foreclosed, at any time after said rent or any part thereof is due." On final passage the bill was killed.

Buys Massachusetts Bonds.

State Treasurer Mortensen has completed arrangements for another \$100,000 of Massachusetts bonds of the series already purchased. These bonds bear interest at the rate of 31/2 cents and run for 40 years. This last purchase will make the state of Nebraska the holder of \$400,000 worth of gold bonds of one of the oldest states in the union. The bonds were purchased on a little better

Decides Indian Case.

A decision of importance to the people of Thurston county is that in the case of Daniel Porter against Ne-da-we Parker, involving the application or non-application of the Nebraska law of descent to Indians. There are some 1,200 Indians in that county, and there are 100 or more cases resting upon the decision in this one. The decision is that the law of descent applies to Indians just as well as to white men.

For the Norfolk Asylum.

The senate committee on insane hospitals recommended that \$150,000 be appropriated for the rebuilding of the Norfolk asylum for the insane. The committee said that \$100,000 worth of property had been sent to other asylums and \$34,000 in salvage had been saved out of the wreck of the fire.

DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women-Many Thousand Women Suffer Needlessly From This Cause.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties tired, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 12th Street, N. Y. City, N. Y., writes:—"I suf-fered for three years with what is generally known as leucorrhea, in connection with ulceration of the womb. The doctors advo-cated an operation which I dreaded very much, and strongly objected to go under it. much, and strongly objected to go under it.
Reading of the value of Peruna, I thought
it best to give this well-known remedy a
trial, so I bought three bottles of it at once.
Now I am a changed woman. Peruna cured
me; it took nine bottles, but I felt so much
improved I kept taking it, as I dreaded an
operation so much. I am to-day in perfect
health, and have not felt so well for fifteen
years."—Mrs, Eva Bartho.

MISS LOUISE MAHON.

Miss Louise Mahon, 3 Glen Baille Street, Toronto, Ont. Can., Secretary of the King's Daughters and Secre-tary of Lady Maccabees, writes:—"If all women knew of the benefits to be de-rived from taking Peruna we would have many happier and more healthful women. My health has never been too robust, and I My health has never been too robust, and I am easily fatigued and can not stand much. About a year ago I was so run down that I had to take to my bed, and became weaker and weaker. A friend advised me to try Peruna, and I have great reason to be grateful, for in two weeks I was out of bed and in a month I was perfectly well, and I now find that my health is much more robust than formerly, so that I take Peruna once or twice a month and keep well."—Louise Mahon.

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored. the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna.

Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:

For years I have suffered with backache and severe pains in the side. doctored so much that I became discouraged. A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other MRS. EVA BARTHO.

medicine I have ever taken. I usedit faithfully for two weeks, and it completely cured me. I have not had any pains since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."-Bar-

Mrs. Kate Mann, 806 Bathurst Street, Toronto, Ont. Can., Vice President of the Ladies Aid Society, writes:—"I am pleased to give praise to Peruna for the blessed relief I found through its use. I blessed relief I found through its use. I suffered for years with backache and dragging down pains and often had to go to bed and stay there when I was so busy that I could illy be spared. It was therefore a simple godsend to me when Peruna was brought to my notice. Every drop seemed to give me new life, and every dose made me feel much better, and I promised myself that if I found that it cured me I would advocate it so that other suffering women that if I found that it cured me I would advocate it so that other suffering women should know of it. I have been in perfect health for one year. I enjoy work and pleasure because in such fine health, and no trouble seems too heavy to bear when you are in good health. Peruna has simply been a household blessing, and I never will be without it again."—Mrs. Kate Mann.

MRS. KATE MANN.

Mrs. Anna Martin, 47 Hoyt Street, Brooklyn, N. Y., writes: Peruna did so much for me that I feel it my duty to so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down, had backache, dizziness and irregularities, and life seemed dark indeed. We had used Peruna in our home as a tonic, and for colds and catarrh, and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

Mrs. Wm. Hetrick, Kennard, Washington county, Neb., writes:

"I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulderblades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dizziness and trembling of the limbs. and was losing flesh all the time. After following your directions and taking Peruna I now feel like a different person."-Mrs. Wm. Hetrick.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Peruna can be purchased for \$1 per bottle at all first-class drug stores. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

The Four-Track News.

When the different members of the editor's family ask, "Why don't The Four-Track News come?" it is getting to be like Castoria, even "the children cry for it," and this tells the story. It is the most interesting publication that comes in our exchanges, and the reason is easily told. Mr. Geo. H. Daniels, the General Passenger Agent, who has charge of it, has the "Carnegie faculty" of getting good men around him, who know their business, and the rehim, who know their business, and the re-sult is that in everything the publication de-partment of the New York Central dis-tributes it is "all right."—Brooklyn, N.
