Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

SEVERE ATTACK OF GRIP
 Cured by One Bottle Chamberlain's Cough Remedy

"When I had the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry Editor of the Enterprise, Shortville, N. Y. "This is the honest truth. I at times keep from coughing myself to pieces by taking one teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted in a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had made me adieu." A WAR MEDAL FOR MAJOR CHURCH HOWE

Major Church Howe, United States Consul in Sheffield, has just received a medal in grateful recognition of his services at a critical moment in his country's history. When the rebellion broke out in 1861 the regular army was largely in the west, and Washington was in peril. President Lincoln called for volunteers to defend the capital whereupon the 6th Massachusetts volunteers responded in a body, and three hours after the call were on the cars speeding away to Washington. Major Church Howe, then a youth of 19, was a private in the regiment, and took his place in the fighting line. Now, more than forty years after the war, the State of Massachusetts, from old cannon captured at the time, has struck medals, and presented them to the "Minute men" who responded to the nation's call at a moment's notice. The medal, a very handsome one, has the following inscription: "The Commonwealth of Massachusetts.—To the members of the Massachusetts Volunteer Militia who were mustered into the United States service in response to President Lincoln's first call for troops, April 15, 1861."

In forwarding the medal to Major Church Howe, the Assistant Adjutant General of the Commonwealth of Massachusetts wrote: "I have the honor and the pleasure respectfully to acquaint you that there has been mailed to you from this office, in separate cover, one of the medals which a grateful Commonwealth has issued in commemoration of the loyalty and responsiveness of her sons who responded April 1861, to the call to arms, and by their prompt service stayed a rebellion and saved a nation. You, my dear sir, as one of those Minute men so recognized, are entitled to this distinction, and it is an especial privilege and pleasure to me to be the medium in placing the medal in the hands of a loyal soldier, and representative of my country in a foreign land.—Sheffield (England) Telegraph.

To improve the appetite and strengthen the digestion, try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. K. H. Seitz of Detroit, Mich., says, "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels."

There are people in this community who need just such a medicine. For sale by W. W. Keeling, druggist. Every box warranted.

Christendom is a new weekly published in Chicago. It is the practical embodiment of what has long been felt by the prominent leaders in the political, social and educational progress, viz, that there is imperative need of a journal which should discuss week by week, in the spirit of enlightened Christianity, not only the world's most important news developments along all lines, but also the pressing problems of politics, religion, education and sociology, which are engrossing the minds of the intelligent, broad-minded men and women of today.

One Minute cough cure gives relief in one minute, because it kills the microbe which tickles the mucous membrane, causing the cough, and at the same time clears the phlegm draws out the inflammation and heals and soothes the affected parts. One Minute cough cure strengthens the lungs, wards off pneumonia and is a harmless and never failing cure in all curable cases of coughs, colds, and croup. One Minute cough cure is pleasant to take, harmless and good alike for young and old.—W. W. Keeling.

Weak Stomach
 Causes a weak body and invites disease. Kodol dyspepsia cure cures and strengthens the stomach and wards off and overcomes disease. J. R. Taylor, a prominent merchant of Chriesman, Texas, says, "I could not eat because of a weak stomach. I lost all strength and run down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by use of Kodol I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health.—W. W. Keeling.

Christendom, the new American weekly, will be the organ of any institution, of any man, or any party. Its articles will be authoritative, but not academic; progressive, but not radical; religious but not theological. As the name implies its scope will not be limited to any section, or to any country.

Beyond All Comparison

One of the many factors contributing to the remarkably rapid and solid growth of St. Louis is the marvelous development of the Southwest and other territory tributary to that city in all lines of trade. In 1904 there will be held the greatest World's Fair in the world. The presidential campaign will also take place. To keep informed with the whole world you should at once subscribe for the peer of newspapers, The Twice-a-week St. Louis Republic. It is indispensable to the farmer, merchant, or professional man. Its telegraphic and cable service excels that of any other paper. It prints the news fully; not imaginative occurrences, but domestic and world wide facts. It is democratic in politics, but distinctly a national newspaper and family journal. The subscription price of \$1.00 gives you two papers each week, 104 papers a year.
