These three publications are the best of their class and should be in every farm home. To them we add for local, county and general news our own paper and make the price for the four for one year, \$1.35. Never before was so much superior reading matter offered for so small an amount of money. The papers named which we club with our own are well known throughout the west and commend themselves to the reader's favorable attention upon mere mention. The Homestead is the great agricultural and live stock paper of the west. The Poultry Farmer is the most practical poultry paper for the farmer published in the country, and the Special Farmers' Institute editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer.

FRIDAY, MAY 15, 1903.

Forty-one of our citizens went to Nebraska City Thursday to see the great Fourpaugh and Sells Bros. circus. The freight train from the south was held here until seven o'clock to accommodate those wishing to attend the circus.

Mr. Daniel Harger, of Hillsdale, fell from a wagon while hauling corn for Jim Wolfe, and fractured a rib. Dr. Sutton was called, and now after ten days of suffering, he is able to be out of doors part of the time.—Shubert Citizen.

Omaha is having a hard time with strikers. Over three thousand men have struck, mainly for recognition of the union. The teamsters, freight handlers, carpenters, waiters, laundrymen, bakers and others are out. It is tough on the citizens.

By the last two strikes the wages of anthracite coal miners has been raised by about 20 cents a ton. When the ton reaches the consumer the wage increase may be expected to have accumulated at the rate of expansion sure to be impressive.—Omaha Bee.

Mayor Low has requested the citizens of New York to celebrate the week from May 24 to May 30, in commemoration of the fact that the city will then reach an age of 250 years. New York is quite a lively town, but there are cities in the west that will overhaul its present record when they reach their 250th birthday.—Globe Democrat.

Early Wednesday morning a dog showing unmistakable signs of hydrophobia, appeared on the farm of V. D. Lawrence in London precinct. Mr. Lawrence shot him with a revolver but failed to kill him. He followed him to the farm of Henry Stevens, where the men succeeded in putting him to death, but not before he had bitten a dog belonging to Stevens. It is believed he bit other dogs in the neighborhood, and parties owning the dogs should see that their canines are either muzzled or securely tied until all danger of rabies are past.

Fifteen candidates were initiated into Farmer lodge No. 44, Royal Achates, Thursday night of last week. Deputy J. W. Doran of Omaha was present and assisted in the ceremonies of initiation. Several of the officers who were elected at the previous meeting resigned and others were elected. The following is a correct list:

- Pres.—James C. Monroe.
- Past Pres.—Mattie J. Marrs.
- Vice Pres.—Wm. E. Wolfe.
- Secretary—W. W. Sanders.
- Treasurer—Joseph D. Dixon.
- Chaplain—Mrs. Amanda Wolfe.
- Marshal—Daniel W. Foster.
- Guard—Walter Faris.
- Trustees—W. S. Maxwell, Mrs. Minnie Ebnother, W. F. Sanders.
- Captain of drill team—Arthur Littrell.

**Cures When Doctors Fail**  
 Mrs. Frank Chlason, Patterson, Ia., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.

A boy named Hally Whittaker, living at Auburn, was shot and killed Monday afternoon by a companion named Rice. Both boys were about twelve years old and were playing in the Whittaker barn with a revolver. In some manner the gun was discharged, the shot striking young Whittaker in the left side. He ran to the house and fell dead as he got on the porch. Young Rice claims the boy who was killed had the revolver when it was discharged with the above results.

Auburn Nebr., May 13.—The coroner's jury empanelled to inquire into the cause of the death of Hally Whittaker to whom mention was made in Monday's paper, found that he came to his death by means of a pistol shot which was accidentally fired probably by himself. Bert Rice the seventeen year old boy who was with him in the barn at the time of the shooting was arrested Monday on the charge of carrying concealed weapons and was held in custody until after the coroners inquest had been returned as above. He was then taken before the county judge and arraigned on the charge of carrying concealed weapons, to which he pleaded guilty. On account of his age, the court gave him a fine of \$10 and costs. The fine was paid by his father and brothers-in-law.

The funeral was held Tuesday afternoon at 2:30 o'clock.

Washington, D. C., May 13.—Postmaster General Payne announced that there would be no more establishments of rural free delivery postal service until July 1, the beginning of the next fiscal year. This is one result of the investigation of postoffice affairs and of the discovery that at the present rate of increase in the number of routes, there would be a deficit of \$20,000 to the rural free delivery service by the end of the fiscal year. It is not intended, however, that the investigation of proposed routes shall be suspended and the field work, therefore will continue. Mr. Payne estimated that a number of routes fairly entitled to be established in the entire country would be thirty-eight thousand, and that at the present rate of increase this would be reached two years hence.
