## MRS. L. S. ADAMS.

Of Galveston, Texas.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have \$1.00 bottles. For any stomach, liver or bowel disorder Thedford's Black-Draught should be used.

## A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system.—M. T. Hill

Willie Kerker came very near being killed Wednesday. He was watching W. W. Seid saw lumber, and stepped on the log carrier. When it started back he was thrown down and into the frame work, one foot catching so he was thrown across a piece of the frame. The carrier struck him across the bowels. Fortunately W. W. Seid saw him and stopped the carrier instantly or he would have been killed. One ankle is bruised, and he is also badly bruised across the bowels and fears are entertained that he is injured internally. He is resting fairly well and it is hoped he will soon be well again. It was a narrow escape from death.

The livery stable was unfortunate last week so far as runaways were concerned, but fortunate in the fact that little damage was done. On Wednesday Miles Knapp drove a traveling man to Howe. As he was taking out the grips the horses started to run. Mr. Knapp caught the lines and held to them for nearly a block, when another man ran and stopped the horses. Mr. Knapp's clothes were almost torn off of him but he was not much hurt. The next day Mrs. Knapp was driving a horse when it stepped on a board which flew up and struck it. The horse ran and Mrs. Knapp was jerked out over the dashboard. The shafts were broken and the dashboard splintered but Mrs. Knapp escaped with a few bruises. The horse was caught after going a short distance.

Married.—At eight o'clock last Tuesday evening at the home of the bride's parents at Lincoln, Dr. Guy R. Taylor and Miss Della Gifford, in the presence of several relatives and friends. The Doctor is one of our citizens and is enjoying a good practice here. The bride is unknown to the writer, but knowing the Doctor's good judgment, we do not hesitate to say that she is one of Lincoln's best young ladies. After the ceremony the newly married couple took the M. P. train for Auburn where they are now stopping with the groom's parents, except what time the Doctor is kept here attending to his practice. They will go to housekeeping in a few days in the house now occupied by S. L. Wirick. The News joins in with Doctor's many friends in wishing him and his bride much joy, also a hearty welcome for the bride to our city.—Johnson News.

## SEVERE ATTACK OF GRIP

Cured by One Bottle of Chamberlain's Cough Remedy

"When I had the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry Editor of the Enterprise, Shortville, N. Y. "This is the honest truth. I at times keep from coughing myself to pieces by taking one teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing, the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bade me adieu." For sale by Keeling.

## Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure. —M. T. Hill.

Foley's Honey and Tar contains no opiates and can safely be given to children.—M. T. Hill

## Holds Up a Congressman

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all of my organs were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Over-worked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c.—Guaranteed by Keeling.

## Spring Ailments

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.

## World-Wide Reputation

White's Cream Vermifuge has achieved a world wide reputation as being the best of worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity or sourness of the stomach, improves the digestion and assimilation of food, strengthens the nervous system and restores them to the health vigor and elasticity of spirits natural to childhood. 25c at Hill's.

## Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia., writes June 8th, 1901: "I had malarial fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malarial, as it will surely cure them." Herbine, 50c bottle at Hill's.

## Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. None of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
