SEVERE ATTACK OF GRIP

Cured by One Bottle of Chamberlain's Cough Remedy

"When I had the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry Editor of the Enterprise, Shortville, N. Y. "This is the honest truth. I at times keep from coughing myself to pieces by taking one teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bade me adieu." DO YOU GET UP

WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

FRIDAY, JULY 24, 1903.

J. I. Dressler is delivering blackberries in town this week.

Call and see us for reduced rates on magazines and newspapers.

Earle Gilbert moved into Mrs. Alice A. Minick's house Wednesday.

The editor's office phone is No. 7 and that of his residence is No. 1. Call us up if you have any news.

If you are contemplating a change of location and want land cheap, call at this office. We can interest you.

The young people's Christian Endeavor or will give an ice cream social at the residence of Dr. Gaither, Saturday evening, August 1. Each lady is requested to bring two night-caps.

James Hiatt returned from St. Joe Sunday, where he has been at the hospital. He has been sick for over a month, and is very little better. An operation was performed on his right eye, but apparently with little benefit. He can see very little out of it—just enough to distinguish light from darkness. Mr. Hiatt says his wife called on him frequently while he was in St. Joe.

Some fellow made a disgusting exhibition of himself last Saturday afternoon. He had been to Auburn where he was a liberal customer of the saloons and on his return to Nemaha he got sleepy and laid down on the seat in front of Gilbert & McCandless' store. If he could only realize how disgusting he looked and hear the remarks that were made we do not think he would again show himself in town for a while.

The excursion to Beatrice last Sunday was liberally patronized all along the line. W. E. Wheelon sold 45 tickets, and in addition to this number the section men all had passes. Six coaches were here and four more were added at Tecumseh, and yet the aisles were well filled with people who could not get seats. Nearly 1000 tickets were sold, and with those who had passes probably over 1000 passengers were taken.

Prohibition County Convention.

A mass convention of the Nemaha county prohibitionists is hereby called to meet at the court house in Auburn August 1, 1903, at 2 p. m., for the purpose of nominating a county ticket, selecting delegates to the state convention to be held in Lincoln, August 10, 1903, and for the transaction of such other business as may come before the convention.

R. C. MEADER, Sec.

Herman Holtgrew, who has been county commissioner from the third district for the past four years, resigned that position recently on account of a difference of opinion with the other commissioners regarding the division of the bridge and road funds, and for business reasons. The law makes it the duty of the county clerk, county judge and treasurer to fill a vacancy, and last Friday they elected George Ernst of Washington precinct to the position.

On the first day in August To this social you must come, At the residence of Dr. Gaither, On street No. 21.

The girls you must remember Must two night-caps bring, and be bold;

One to wear themselves, The other to the boys to be sold.

The boys, too, please remember, Must each of them bring three dimes;

One to buy a night-cap with, The others for supper genuine.

O yes, and a nickel extra, Your fortunes to have told; For there will be two gypsies The future to unfold.

And then we'll entertain you With music and some games, And when its time for you to go You'll be awfully glad you came.

Now we've told you all about it, And we hope that you will come. We'll do our best to amuse you, And you may call it a right good time.

Uncle Peter Muntz informs us that John Hoskins, a former resident of Nemaha, recently died at Sidney, Nebr., from the result of an accident. He was at Bridgeport, Nebr., at the time the accident occurred, and was endeavoring to steal a ride on a train to Alliance. He was under the influence of liquor and fell under the car, and one leg was badly crushed. He was taken to Sidney and the leg was amputated, but he died during the operation or a short time afterward. This was the case where Fay Gaither assisted in the operation.

Dr. Robert McIntyre

Will be at the Salem Inter-State Chautauqua and deliver his magnificent lecture, "The Sunny Side of Soldier Life."

Jas. Whitcomb Riley "The Hoosier Poet" says of this lecture: "Old soldiers stood up in the aisles and as though the long hushed voices of brave leaders called again and high above the black smoke of the fray they saw the old flag lift once more and laugh out rippily in breaths of victory. There was fire, there was fervor through it all, and yet beneath it a pathetic undertone that swept on brokenly in sobs and tears. Near me sat one old veteran whose lips fell faltering from patriotic shouts to tremulous mutterings of prayer, oblivious as it seemed of all things but the speaker's matchless oratory."

This lecture will be given in the afternoon. In the evening at 7:30 there will be a musical treat, followed by one hour of moving pictures.

Don't forget the dates. August 1 to 9, 1903.

For programs, tents, etc., write W. P. Shildneck, Sec'y, Salem, Nebr.

Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M T Hill.

Holds Up a Congressman

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all of my organs were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Overworked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c.—Guaranteed by Keeling.

Foley's Honey and Tar contains no opiates and can safely be given to children.—M. T. Hill

Spring Ailments

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.
