DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Mrs. Fred Unrath,
President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.

FIGHT BETWEEN RAILROADS.

Political Situation in Nebraska is Very Peculiar One.

A Lincoln correspondent says: To the casual observer the fall campaign in Nebraska will appear to be a dreary struggle, devoid of interest, but the experienced politician knows better. It will be fierce in the extreme, but the turmoil will be almost wholly between factions of the republican party.

Fusion is practically a thing of the past. W. J. Bryan is devoting his attention to national matters and the leaders in Nebraska politics to whom have been trusted the party machinery have proven incompetent for so great a trust. The free silver republican party is dead. The populist party is gradually disintegrating into socialists republicans and democrats.

The republicans have made steady gains and the margin is safe as far as attacks from within are concerned. The minority party is in debt and disorganized. There is no campaign fund and no possibility of raising one.

The contest will be centered within the republican ranks where great interests are at work and old time factions organizing for the conflict.

The fight naturally divides along the line of the Hill-Merriman railroad lines. Years ago the Union Pacific landed John M. Thurston in the United States senate after a long and stubborn struggle. Since that state politics has been the Burlington and for ten years its away has been undisputed. Under the direction of the Burlington politicians the state was retrieved from fusionism.

But now the Union Pacific, the Northwestern and the Rock Island forces have rallied. The organization of the legislature for the last session was a compromise between the North Platte, the Union Pacific territory, and the South Platte, or Burlington section. Discord and strife were manifested all through the session and the house and senate frequently disagreed.

At the recent convention held in Lancaster county the Burlington leaders unmasked their batteries. Judge J. B. Barnes of Norfolk was endorsed for supreme judge and it was indicated that a regent might also be named from the same section of the country. The choice of Judge Barnes will undoubtedly be made unanimously when the convention meets in Lincoln August 18.

All this is the clever maneuvering of the South Platte men to gain the advantage in the senatorial contest of 1904. They will then insist that the North Platte country has been recognized and the South Platte with 45 of the 133 members of the legislature and more than half of the approximately republican majority will stand for a South Platte man.

Senator Dietrich of Hastings, Congressman E. J. Burkett of Lincoln and J. P. A. Black of Bloomington are in excellent strategic positions.

Mr. Dietrich will undoubtedly have opposition from the other two and the Union Pacific men are credited with a desire to make a raid and capture the senatorship for an aspirant in northwest Nebraska and thus establish the old time Union Pacific supremacy.

The Burlington men are on the alert and this is the cause of the gallant after-you-my-dear-Alphonse attitude of the South Platte men on the judgeship question.—Nebr. City News.

For Those Who Live on Farms

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, and I am confident that there is no better made. It is a dandy for burns. Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50, and \$1.00 at Hill's."

What Thin Folks Need

Is a greater power of digesting and assimilating food. For them Dr. King's New Life Pills work wonders. They tone and regulate the digestive organs, gently expel all poison from the system, enrich the blood, improve appetite, make healthy flesh. Only 25c at Keeling's.

To improve the appetite and strengthen the digestion, try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. K. H. Seitz of Detroit, Mich., says, "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels."

There are people in this community who need just such a medicine. For sale by W. W. Keeling, druggist. Every box warranted.

What is Foley's Kidney Cure?

Answer: It is made from a prescription of a leading Chicago physician, and one of the most eminent in the country. The ingredients are the purest that money can buy, and are scientifically combined to get the best results.—M. T. Hill.

Spring Ailments

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over-accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit and give strength in place of weakness. 50c at Hill's.
