REPUBLICAN COUNTY CONVENTION.

The republican county convention Monday was full of interest from start to finish. A hard fight had been made in the county to keep Stull from getting the Nemaha county delegation for district judge. The leaders, Peter Berlet, M. S. McIninch, J. W. Armstrong, R. C. Boyd and others were good fighters but were handicapped by not having any county candidate to bring out against the judge. Mr. McIninch at one time had serious thoughts of trying for the position himself, but his friends advised him not to try it, on account of his age limited amount of legal practice outside of his home county, and his small acquaintance throughout the district.

Both sides had been claiming the victory until about noon, when the anti-Stull forces began to weaken. The first test of strength came on the organization of the convention. The ants nominated Ellis E. Good for the chairman and the Stull forces named D. C. Cole, both of Peru. Cole won out on a vote of 62 to 41. W. H. Stowell and W. M. Zentz were elected secretaries. The committee on credentials reported every precinct represented, and the temporary organization was made permanent.

A motion was now made to take a vote of the convention as to the feeling for Stull, and he was endorsed for Judge by a vote of 63 to 40. Then a motion was made to allow him to select his delegation. This was carried by a vote of 55 to 45, after the antis had endeavored to have a substitute motion put allowing the precincts to select their delegates.

The county was then divided into districts in proportion to their strength in the convention and these districts selected delegates to the state convention. T. J. Majors was elected delegate at large from the county.

A motion was then made that Judge Richard F. Neal be chairman of the county central committee. This was carried unanimously.

The convention then proceeded to vote on preference for members of the state central committee. Joe Gilliland and G. N. Titus were placed in nomination. Titus won by a vote of 57 to 45.

The precincts then selected members of the county central committee and the convention adjourned.

The county central committee met and elected W. H. Stowell secretary and J. W. Armstrong treasurer.

Seymour Howe and W. S. Russell are members of the central committee from this precinct. Walter Hadlock is the delegate to the judicial convention and F. L. Woodward to the state.

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, and I am confident that there is no better made. It is a dandy for burns. Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50, and \$1.00 at Hill's."

FRIDAY, AUGUST 14, 1908.

Now let peace and harmony prevail.

Johnson county is the only one in the judicial district that is not grooming a republican candidate for district judge.—Johnson Co. Journal.

The republican judicial convention will be held at Beatrice next Monday, August 17, and the state convention will be held at Lincoln next Tuesday, Aug. 18.

An eminent writer of France has sent word to Pope Pius X what France expects him to do in his treatment of her interests. It is safe to say that the pope will do as he thinks best, regardless of the wishes of the French writer.

General Young, who succeeds Gen. Miles at the head of the United States army, furnishes a good example of what perseverance and devotion to duty may accomplish. He has risen to his present position through sheer merit, enlisting as a private and working his way up.

The post office department established 2455 rural mail routes in July of this year. There were 5664 routes established for the year ending June 30. There is enough of the last appropriation left to establish 4000 more routes. This does not look as if rural delivery were being discontinued.

During the thunder storm last Sunday night lightning struck and killed eleven head of yearling cattle belonging to C. P. Robinson of Vesta precinct. The yearlings were in the pasture near the barbed wire fence, and it is supposed the bolt of lightning struck the fence and ran along it, killing every calf near it. Several of the yearlings when found were lying through the fence.—Johnson Co. Journal.

For district judge of the First judicial convention there are now five candidates. The present incumbents, Judge Stull of Nemaha county and Judge Letton of Jefferson county are candidates for re-election and each has his own county delegation back of him. Ex-Judge Babcock of Beatrice has the Gage county delegation, Judge Raper has the Pawnee delegation and C. F. Reavis has the Richardson county delegation. Johnson county has no candidate. The convention there has not yet been held but we understand that county will be for Stull. Two judges are to be elected.

The republican primary in Nemaha was attended better than usual. For awhile it looked like there would be a struggle between the Stull and anti-Stull forces, but a compromise was affected, both sides conceding something and no scrap developed. The primary was called to order by W. W. Sanders, who was elected chairman, and Chas. Howe secretary.

A motion was carried for the chairman to appoint a committee of five to select a list of delegates to the county convention. G. N. Titus, James A. Stephenson, F. L. Woodward, W. S. Maxwell and Walter Hadlock were appointed such committee. They retired and after consultation reported the following list of delegates: James A. Stephenson, Casner Barnes, Walter S. Maxwell, W. S. Russell, Seymour Howe, Frank Titus, Walter Hadlock.

On motion the report of the committee was accepted, these men were elected delegates, and the primary adjourned.

A traveling speaker gave exhibitions on the streets with a "boomerang" on Saturday, and disposed of several of the patented articles. The purchasers however, found it difficult to manipulate the thing like the agent, and as a result the purchases were generally disappointing. The man was an expert and could throw the projectile so that it would describe a circle two hundred feet in diameter and return to his hands, being caught often without the operator moving a step.—Humboldt Leader.

The same fellow was in Nemaha last Friday afternoon.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

MRS. CECELIA STOWE,

Orator, Entre Nous Club.

176 Warren Avenue,

CHICAGO, ILL., Oct. 22, 1902.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.
