**SEVERE ATTACK OF GRIP**

Cured by One Bottle of Chamberlain's Cough Remedy

"When I had the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry Editor of the Enterprise, Shortville N. Y. "This is the honest truth. I at times keep from coughing myself to pieces by taking one teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bade me adieu." I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malarial, as it will surely cure them." Herbine, 50c bottle at Hill's.
