SEVERE ATTACK OF GRIP

Cured by One Bottle of Chamberlain's Cough Remedy

"When I had the grip, last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry Editor of the Enterprise, Shortville N. Y. "This is the honest truth. I at times keep from coughing myself to pieces by taking one teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bade me adieu." For sale by Keeling.

The editor confidently prophesied that it would not rain Thursday, but the trouble was there was too much wetness in the air and it stopped over.

Curt Brown came in from Pawnee City to attend the picnic and then was disappointed. He is quite lame, having run a snag in his foot a few days ago.

I. H. Kuper of Benton precinct mingled among the crowd at the picnic Thursday. Mr. Kuper is Benton's candidate for the nomination for county treasurer and he, has many friends in the east end of the county who regard him as the logical candidate for treasurer.

We learn that Mrs. M. S. Foutch of Brownville, who went to the Methodist hospital at Omaha last Friday, was operated upon for appendicitis Monday. She rallied from the operation nicely. Mr. Foutch went to Omaha Monday morning and will remain until his wife is better. Rev. J. W. Perkins of Brownville will fill his appointments next Sunday.

On account of rain Thursday morning, it was decided to postpone the old settlers' picnic until Saturday of this week. Bills were printed announcing the change, 'phones were used and people were notified as far as possible. The band was notified before it started and the Omaha ball team stopped when at Nebraska City. The St. Joe team got to Nemaha and then went on to Nebraska City. Judge Jensen came down from Nebraska City, but went back on the freight that forenoon.

In spite of the rain a good big crowd was present. In the afternoon another heavy rain fell. If we do not have another rain the park will be in good condition tomorrow.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo E. Hansen locomotive engineer, Lima, O., writes: "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M T Hill.

After the first two or three doses I began to improve and have taken several bottles and feel like a new man. I write you this in the interest of humanity, hoping it may fall into the hands of some sufferer, and my prayer is that they may secure the same benefit that I have." Sold by W. W. Keeling.

Cures When Doctors Fail

Mrs. Frank Chiason, Patterson, Ia. writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.
