Holds Up a Congressman
 "At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all of my organs were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Overworked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c. —Guaranteed by Keeling.

Traveling is Dangerous
 Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure."
