Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

FEMALE WEAKNESS

543 1-2 Congress St. Portland, Maine, Oct. 17, 1902.
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Swann
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

WINE OF CARDUI

The Nebraska Advertiser

W. W. Sanders W. F. Sanders

W. W. SANDERS & SON, Prop's.

FRIDAY, OCT. 16, 1903

W. D. Culwell says he did not want the nomination for sheriff and doesn't really care about being elected. He need not be alarmed. He will get to stay at home all right.

The Wymore Arbor State, a leading democratic newspaper, is bitterly fighting Kretsinger one of the fusion nominees for district judge. Kretsinger is from Beatrice.

Will C. O. Snow please tell the people how much more it cost to run the Clerk's office while he was in it than it has under Charley Hacker's administration. We venture the assertion that he will not.

The new editor of the Auburn Herald is probably not aware that Judge Broady, one of the patron saints of democracy, took the stump when he was a candidate for district judge. So have other candidates nominated by the democrats and fusionists.

The B. & M. has hired a great many men for the train service at this point, but as yet they are short handed. At present there are a number of the boys laid-off, either sick or taking a rest. There is more work to be done than could be done by them all if they were at their posts at this time.—Nebraska City News.

As soon as C. F. Reavis was nominated for district judge the fusion papers, with the help of a few bolters, began to sling mud. The Falls City Journal says Reavis does not dare to face the people on the stump, while the Auburn Herald says he is going to take the unprecedented course of stumping the district. To bad we can't please all of them.

Dr. Tarrant says there is a great deal of hog cholera prevailing in the southern part of the county and that the disease is spreading. He also says that there is more black leg among the cattle than there has been for years. He referred to several farmers in the northern part of the county that have lost from two to fifteen head of cattle by this disease.—Nebraska City News.

A lady, who has just returned from a trip down south, says there is a big demand for our apples in Texas. At one place where she priced some ordinary sized apples she was told that they were selling at four for twenty-five cents. She looked at the apples and found that they were those grown only in this state and bore that fine polish which our apples are noted for. Stand up for Nebraska.—Nebr. City News.

Is there a lawyer at the Gage county bar, who supports Kretsinger? Not one. Half the old populists are opposing him, and scarcely a democrat is for him. The prohibitionists have learned that Kretsinger simply poses as one of them for the revenue there is in it. Prohibitionists as a rule are sincere, and they have discovered the hypocrisy and deceit which is habitual with Kretsinger, and will have none of him.—Wymore Arbor State. (Dem)

The following letter from G. B. Beveridge, district clerk, explains itself.

AUBURN, Nebr., October 14, 1903
W. W. Sanders, Ed. Advertiser:
Dear Sir:—It is being circulated that Mr. Crichton is not a lawyer and therefore not competent to fill the office of county judge. The record of this office shows that Mr. Crichton has been a member of the bar in good standing for the past eight years and is still a member, but having been engaged wholly in educational matters, he has not entered into an active practice of law. Respectfully,
G. B. BEVERIDGE, Clerk.

A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system.—M T Hill.

The crew that had charge of the B & M. freight that came in from the south this morning had quite a lively experience with a car loaded with pop corn that was on fire. When at Minersville it was discovered that the top of the car was on fire and they could not put it out. A fast run was made to this city and the car put in the yard and water turned on it. By this time the fire had gained such headway that it was thought the car would be consumed so an alarm was sent in and responded to by the department. The fire was put out without much damage being done.—Nebr. City News.

Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia. writes June 8th, 1901: "I had malaria fever in a very bad form; was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me.
