and grain farm. All fenced.

Fine tract of four sections of land

located in the Republican Valley in

of Southern Nebraska and Northern

2569 acres Nuckolls county, 3 miles from the \$23.50 acre city of Superior, the railroad center Eansas. This little city with shade and ornaaental trees, many fine residences and pern anent brick blocks, contains a population of 4800 energetic and industrious people. The manufacturing enterprize embraces a large flouring mill, 500 bol daily capacity, three feed, mills, one starch factory, creamery and daily newnpaper. This city owns and operates a splendid system of waterworks, and is lighted with electric lights. Three school buildings containing thirteen rooms, five churches and numerous good business houses. The railroad business is represented by fifteen arriving and fifteen departing trains daily. Located in the very heart of the 'Corn Relt" this lan i is unexcelled in Nebraska for location, price and quality. The soil is all rich black loam underlaid with fine quality of porous red clay subsoil. Just the kind of land for alfalfa, wheat, corn and good native grass, 1500 acres are in pasture, well set with native grass, "Blue Stem," and the balance is under cultivation. 110 acres fine alfalfa. The entire 2500 is well watered by springs and one lake, which flows pure water the entire year around. All this land is undergood barbed wire fence, four wires and cedar posts. The buildings are three different sets of improvements; two small houses and one large house, 21x28, with summer kitchen. Barn for ten horses, cattle sheds, hog sheds, corrais, scales, feed racks, corn cribs, etc. the shipping facilities from this ranch are unexcelled in the state of Nebraska, as Superior has four railroads, and is but a night's run to the best stock markets in the United States, the Missouri River points. The freight rates from superior are made on sharp computation. The stock and grain markets in Superior are the best

## PEAR ORCHARD ON FARM OF W. B. WRIGHT, NEAR NELSON.

160 acre farm in Nuckolls county, 4 miles from two good towns. 5 acres miles from Oak, a good market on 160 acres of oak timber, 30 acres in pasture, 130 acres under cultivation, 25 acres in alfalfa. Frame house one and one

ning water, two pumps, one windmill and tank. good soil and improvements in good repair.

This ranch can readily be divided into eleven eparate farms of 160, 240 and 320 acres each, and would be an ideal place for the settlement of a colony or a family of boys. This tract of land 2500 acres-is an excelent ranch in itself with an abundance of living water, fine wild grass astures and unlimited possibilities for the production of alfalfa and grain, all convenient to good markets. If you do not feel able to andle so large a deal alone, bring two or three friends with you and buy this ranch together. It s a good speculation at these figures. We will loan \$20,000 on this ranch.

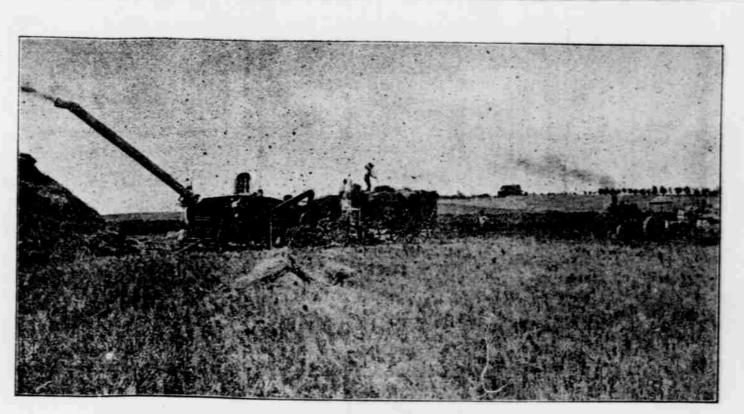

in the state. This tract is a bargain at \$23.50 per

acre. Come and investigate it.
