FRIDAY, NOV. 20, 1903.

Next Thursday is Thanksgiving, but  
as turkeys are selling for about 15 cents  
a pound, live weight, we expect to get  
along on chicken.

A cold wave struck us Sunday  
night and the thermometer has been  
below the freezing point since that  
time. Tuesday and Wednesday the  
thermometer at the depot stood at 10  
degrees above zero. Thursday was  
some warmer.

Our friend C. J. Canon managed to  
pull through and was reelected county  
clerk of Johnson county on the fusion  
ticket—the only man on that ticket  
to be elected. Mr. Canon's wife, for-  
merly Miss Nina Moore, is well known  
to many of our citizens.

Rev. G. H. Schieb, Ph. D., general  
lecturer of the W. O. W., delivered  
an address on "Perfected Woodcraft  
the climax of Fraternalism," at the  
Christian church Wednesday evening.  
A fair crowd was in attendance.  
The address was a good one.

E. L. Paris has closed his meat mar-  
ket, for the present at least, and J. E.  
Crother has moved his harness shop  
into the building. Mr. Crother we  
understand, will sell flour and feed for  
Mr. Paris. It is possible the meat  
market will be opened again in the  
spring.

J. H. Seid's hog sale at Falls City  
last Saturday was quite successful,  
though the prices paid were not so  
large as they should have been, but  
compared favorably with other hog  
sales held there this fall. Henry was  
very well satisfied with the result of  
the sale.

Hon. F. G. Hawxby of Humboldt  
came to Nemaha Wednesday evening  
and visited his parents that night and  
the next day. He had just returned  
from Lincoln where in connection  
with Judge Davidson of Tecumseh he  
argued the appeal case of T. B. Stocker  
vs. Nemaha county.

We recently received a pamphlet  
advertising Custer county and more  
particularly the region around Broken  
Bow. It was sent us by our old  
friend George Willing, who was in the  
hardware business in Nemaha from  
1881 to 1885. George is now a real  
estate agent at Broken Bow.

D. G. Kelster has a new way of  
keeping a hog from eating chickens.  
He had one that caught chickens, so he  
punched holes in its ears, ran strings  
through the holes and tied a piece of  
leather across the forehead over the  
eyes, so it could not see the chickens  
but could see to eat. It works effect-  
ively.

Two of our young ladies went to  
Dubuque Friday intending to return on  
the afternoon train, but got left and  
had to come in on the freight.  
A rather young lady bought a ticket  
to Brownville but when the conductor  
came around she could not find the  
ticket, and had to borrow money to  
pay her way. Our young ladies are  
unfortunate.

Saturday afternoon the young son of  
Sylvester Hodges, who lives northeast  
of town, was on the street near A. L.  
Adams drug store. He threw a small  
stone which hit the sidewalk and then  
bounced against the north window,  
making a small hole in the lower part.  
The glass is valued at seventy-five dol-  
lars. The building is owned by H. E.  
Clark and Mr. Hodges offered to stand  
the full amount of the loss, but Mr.  
Clark would not permit him to do so  
and the matter was compromised.  
The boy was only playing and the  
damage was entirely accidental.—Stella

Evangelistic meetings are now in  
progress at the Methodist church.

promptly. Regular services at 7:30  
o'clock. Miss Mae Phillips and Miss

is earnestly desired.—Brownville Bio-

A letter from Mrs. S. W. Blair con-  
veys the information that Cy Rhodes  
and family are now living in St Joe  
and that she is still making her home  
with them. She says Mr. Rhodes is  
doing well there, and that his daugh-

**Gained Forty Pounds in Thirty Days**  
For several months our younger  
brother had been troubled with indi-  
gestion. He tried several remedies  
but got no benefit from them. We  
purchased some of Chamberlain's  
Stomach and Liver Tablets and he  
commenced taking them. Inside of  
thirty days he had gained forty pounds  
in flesh. He is now fully recovered.  
We have a good trade on the Tablets.

**Ran A Ten Penny Nail Through His  
Hand.**  
While opening a box, J. C. Mount  
of Three Mile Bay, N. Y., ran a ten  
penny nail through the fleshy part of  
his hand. "I thought at once of the  
pain and soreness this would cause  
me," he says, "and immediately appli-  
ed Chamberlain's Pain Balm and oc-  
casionally afterwards. To my surprise  
it removed all pain and soreness and  
the injured parts were soon healed."  
For sale by W. W. Keeling.

**Catarrh of the Stomach.**  
When the stomach is overloaded;  
when food is taken into it that fails to  
digest, it decays and inflames the mu-  
cous membrane, exposing the nerves,  
and causes the glands to secrete mucin  
instead of the natural juices of diges-  
tion. This is called catarrh of the  
stomach, caused by indigestion. Doc-  
tors and medicines failed to benefit me  
until I used Kodol Dyspepsia Cure.—

United States Senator Dietrich has  
been indicted by the federal grand jury  
for soliciting and accepting bribes for  
his influence in securing the appoint-  
ment of postmasters. There should be  
a thorough and complete investigation.  
It is hoped the senator is innocent, but  
if guilty we hope he will be convicted  
and punished. "Let no guilty man es-  
cape."

Nebraska was recognized as a terri-  
tory of the United States May 30,  
1854. Preparations are already under  
way to celebrate the fiftieth anniver-  
sary of the event. Nebraska's first  
governor was Francis Burt. He died  
October 18, 1854, two days after he had  
been qualified for the office and after  
having been in the territory only  
eleven days.—Ex.

The young men that marry at this  
season of the year probably never look  
at the quotations of hard coal and other  
necessaries that will be required when  
he has become the head buyer for the  
family. The wise young man marries  
in the spring and lays up money suffi-  
cient with which to buy coal in the fall,  
for the money he would have spent in  
buying ice cream or taking his best  
girl out buggy riding.—Ex.

is always dangerous—do not submit to  
the surgeon's knife until you have  
tried DeWitt's Witch Hazel Salve. It  
will cure you when everything else  
fails—it has done this in thousands of  
cases. Here is one of them. I suffered  
from bleeding and protruding piles for  
twenty years. Was treated by differ-  
ent specialists and used many remedies  
but obtained no relief until I used De-  
Witt's Witch Hazel Salve. Two boxes  
of this salve cured me eighteen months  
ago and I have not had a touch of the  
piles since.—H. A. Tisdale, Sumner-

The December Delineator (Christ-  
mas number) represents the high-  
water mark of beauty and utility, and  
possibly of circulation also, in a wom-  
en's magazine, having the first edition  
of over a million copies. It contains  
240 pages. To produce this mammoth  
edition 729 tons of paper and 49 press-  
es working 25 were required. In ad-  
dition to exquisite color work, clever  
fiction and strikingly illustrated arti-  
cles, the number includes a display of  
charming winter fashions covering  
forty-two pages, letters from the for-  
eign fashion centers and illustrated  
articles on the fashionable fabrics and  
trimmings, millinery, etc. There are  
many beautiful art features, among  
them four pages in color representing  
Babyhood, Childhood, Girlhood and  
Motherhood—the work of Bernard J.  
Rosenmeyer. For the children there  
are interesting games and stories, and  
for the housewife many practical sug-  
gestions in cookery and other depart-  
ments of the home, for the Christmas  
season.

The house on the Philip Palmer farm  
in London precinct was burned Thurs-  
day night of last week. It was occu-  
pied by Lee Parriott, who, with his  
wife, child and hired man, barely es-  
caped in their nightclothes. All their  
furniture, clothing, etc., was burned.

county, and also their old home and  
friends, started from Auburn on Mon-  
day for their home in San Diego, Cal.

**He Learned a Great Truth.**  
It is said of John Wesley that he  
once said to Mistress Wesley, "Why  
do you tell that child the same thing  
over and over again?" "John Wesley,  
because once telling is not enough."  
It is for the same reason that you are  
told again and again that Chamber-  
lain's Cough Remedy cures colds and  
grip; that it counteracts any tendency  
of these diseases to result in pneu-  
monia, and that it is pleasant and safe  
to take. For sale by W. W. Keeling.
