THE TREATY SIGNED | PERSONAL AND PERTINENT.

Panama Cedes to the United States Territory for Canal.

The New Republic, and Not Colombia, Is to Receive the \$10,000,000-Canal to Be Open to All Nations.

Washington, Nov. 19.-Secretary Hay and M. Philippe Bunau Varilla, the minister of Panama, at four o'clock yesterday evening signed the Hay-Bunau Varilla treaty providing for the construction of the Panama canal by the United States. The keynote of the treaty is the provision in one of the very first articles by which Panama cedes to the United States whatever land or lands throughout the republic of Panama this government shall find desirable in connection with the building or the operation and maintenance of the canal. In addition the treaty gives to the United States abundant sovereignty over the canal strip which, it is understood, comprises between eight and ten miles on each side of the canal. Within this zone the power of the United States is as absolute as if the zone were part and parcel of this country.

In general it may be said that while the new treaty contains many of the provisions of the failed Hay-Herran treaty it is not based on that convention, but follows not only the spirit, but the letter of the Spooner act. The money consideration is understood to be the same, only Panama, instead of Colombia, is to receive the \$10,000,000. The canal is to be neutral and open to all nations on even terms.

Within the past ten years Mr. and Mrs. Charles Pitrowsky, of Cleveland have tried six times to be divorced. Only once did they succeed in freeing themselves from the hymeneal bond. Six months later they were remarried, but were trying for a divorce again inside of two years. Their latest attempt is now being made, papers having been filed in the common pleas court. In all but one case Mrs. Pitrowsky was complainant. It was recounted recently that Mrs. Rozett Coulson had secured at Abilene a verdict of \$3,000 against Randall Myer, a wealthy farmer. It was alleged that Myer had cast doubt upon Mrs. Coulson's connubial faithfulness in a sentence of just 20 works. The judgment amounted to \$150 a word, and evidently Judge Moore regards this as an excessive charge for even that kind of conversation, for he has reduced the sum to \$1,000 or \$50 a word.
