Last Friday night a party was given at the beautiful home of Mr. and Mrs. A. L. P. Thompson, three miles west of Nemaha, in honor of their son, Walter Thompson, who was home from Western Business College, Shenandoah, Iowa, on a few days' vacation. J. Lorenzo Zwickey's lecture on "The Philosophy of the Beautiful," delivered at the opera house Monday night, was indeed a fine effort, full of beautiful and elevating ideas, and illustrated with beautiful pictures. There was enough wit and humor in it to suit all. The entertainment lasted over an hour and a half and all were sorry when he said good-night. We hope he will visit Nemaha again.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M. T. Hill.

Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.

Holds Up a Congressman

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overworked nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all of my organs were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Overworked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c.—Guaranteed by Keeling.

You never heard any one using Foley's Honey and Tar and not being satisfied.—M. T. Hill.

The newly elected county officials took their seats Thursday. Geo. E. Codrington, who has been the most efficient county treasurer for the past four years, gives place to D. J. A. Dirks. Richard F. Neal, who for the past four years has given the best satisfaction probably of any county judge we ever had, gives way to J. S. McCarty. W. C. Parriott, county superintendent for four years, returns to private life and is succeeded by Geo. E. Carrington. W. A. Doolittle succeeds Wm. Ernst as county commissioner from the third district. C. R. Hacker, county clerk, Abe L. Lawrence, sheriff, G. B. Beveridge, district clerk, Dr. Lutgen, coroner, Ben Parker, surveyor, and C. E. Ord, county commissioner, from the second district, succeed themselves and enter upon a second term. E. J. Maxwell enters upon his duties as county assessor, the new county office created by the last legislature.

All the above officials are republicans with the exception of County Judge McCarty, who is a democrat. We believe all will make excellent county officers.

The country home of Mr. and Mrs. Ben T. Skeen, in London precinct, was the scene of a brilliant wedding on Wednesday evening, December 23, 1903, of last week, when Justin E. Long, of Rea, Mo., was united in marriage to Miss Ninon Skeen. The ceremony took place at six o'clock. Rev. S. W. Pringe of Auburn, officiating. Promptly at 6 o'clock the wedding march was played by Miss Helen, sister of the bride, and the couple took their places under an arch of evergreen and orange blossoms, and were made one. There was a large assemblage of relatives and friends of the bride and groom, among those from a distance were: Melinda Skeen grandmother, Eskridge, Kan.; Messrs Laverick, a cousin of the groom, Orleans, Neb.; W. E. Robertson and family of Cook, Neb.; Olive Cely, Peru, Neb.; Lee Shubert, Kansas City, Mo. The groom is a prosperous young farmer, a man of sterling worth of character, while the bride is one of Nemaha county's most charming young ladies, coming from one of the very best families of the county. The happy couple left Friday morning, at 1:30 a. m. over the Missouri Pacific, for the home of the groom's parents at Rea, Mo. The best wishes of a host of friends accompanied them.—Auburn Herald.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by W. W. Keeling.

Dr. Bergin, Pana, Ill. writes: I have used Ballard's Snow Liniment, always recommend it to my friends, and I am confident that there is no better made. It is a dandy for burns. Spring Ailments

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digester impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

MRS. CECELIA STOWE,
Orator, Entre Nevas Club.

176 Warren Avenue,
CHICAGO, ILL., Oct. 22, 1902.
For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.
