A few days ago Wesley H. Clark, who recently bought a half interest in a coin sheller, was helping get the machine running. Just as it started up his right hand got caught in a chain and one finger was cut to the bone in several places and another finger dislocated. This is before Wes had shelled an ear of corn. He is hoping that a bad beginning will make a good ending.

W. D. Culwell returned on Tuesday from Custer City, Oklahoma, where he has been visiting relatives and old Nemaha county friends for some time. His return was hastened by reason of the illness of his brother, James Culwell, whom he found a little better on his return. Mr. C. was accompanied home by his niece, Miss Lottie McKenney, who came for a few weeks' visit with relatives in this county. —Granger.

By the death of Marcus A. Hanna of Ohio the country loses one of her ablest statesmen. He was a large employer of labor and had been since a young man and yet he never had a strike. He probably had greater influence with the laboring classes than any other employer of large numbers of men in the United States. He was a great organizer and will be greatly missed in the councils of the republican party.

BETTER THAN GOLD

I was troubled for several years with chronic indigestion and nervous debility," writes F. G. Green, of Lancaster, N. H. "No remedy helped me until I began taking Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak run down women. No other medicine can take its place in our family." Try them. The dailies of last Thursday evening contained dispatches from the Philippine Islands announcing the drowning of Burch McGrew and his sister, Miss Grace McGrew, son and daughter of Dr. and Mrs. S. W. McGrew of Auburn.

Both had been attending a festival on one of the smaller islands, and were returning when a storm came up and upset the boat they were in. Two white men and two natives were with them and all were drowned. The bodies have not yet been recovered and it is not likely they ever will be.

Burch McGrew was born and raised in Nemaha county. He was a successful teacher, and two years ago went to the Philippine Islands as one of the teachers sent by our government. Last summer his sister joined him there and was also teaching. They were the only children of Dr. and Mrs. McGrew.

To the bereaved parents we can only express sympathy in their great desolation. May the loving Father comfort them.

The accident has brought a feeling of sadness to the citizens of this county, and especially to Auburn, where the young people had lived and were universally respected and loved.

FOLEY'S HONEY AND TAR
Cures Colds; Prevents Pneumonia

WASHINGTON, D. C., Feb. 14.

A number of well informed Nebraskans visiting Washington the last week report a growing sentiment among republicans in that state favors the recommendation of Congressman Elmer J. Burkett by the state convention for promotion to the senate. These reports are confirmed by the private advices of members of the Nebraska delegation. There seems to be no doubt that many county organizations are preparing to pledge their delegates in convention and also to instruct their legislative delegations to vote for Mr. Burkett for the Dietrich succession.

Congressman M. P. Kinkaid of the big Sixth district, in discussing the subject today, said the party organizations of the western part of the state are getting into the Burkett column. The News correspondent asked the judge for more definite information on the point, and he said without hesitation that he had heard from nearly all of the thirty-three counties of his district, and that the sentiment is universally favorable to the Burkett candidacy. The leaders of the party organizations in those counties have written to the judge covering the political situation, and the information he has in regard to Mr. Burkett's status is reliable and conclusive.

What is Foley's Kidney Cure?

World-Wide Reputation

White's Cream Vermifuge has achieved a world wide reputation as being the best of worm destroyers, and for its tonic influence on weak and unthrifty children, as it neutralizes the acidity or sourness of the stomach, improves the digestion and assimilation of food, strengthens the nervous system and restores them to the health vigor and elasticity of spirits natural to childhood. 25c at Hill's.

For a pleasant physic take Chamberlain's Stomach and Liver Tablets. Easy to take. Pleasant in effect. —For sale by W. W. Keeling.

Catarrh of the Stomach

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure. —J. R. Rhea, Coppell, Tex. Sold by W. W. Keeling.

Spring Ailments

There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digester impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by W. W. Keeling.

Dr. Bergin, Pana, Ill. writes: I have used Ballard's Snow Liniment, always recommend it to my friends, and I am confident that there is no better made. It is a dandy for burns. LIVER TROUBLES

"I used Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take." —MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to excel it." —WILLIAM COFFMAN, Marblehead, Ill.
