Catarrh of the Stomach.
When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. Traveling is Dangerous
Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak run down women. No other medicine can take its place in our family." Try them. Only 50 c Satisfaction guaranteed by Keeling's Drug Store.
