

Uncle Henry Piasters of Brownville died at 5:30 Thursday morning. His death was not unexpected, as he had been very low for some time. He was one of Nemaha county's oldest citizens.

The elevator is getting in lots of corn these days. Three shellers are running in this vicinity, and the elevator has about all the corn coming in that it can handle. Earle Gilbert is paying 38 cents per bushel.

To my friends and patrons—From April 1, 1904, I will be in my new office rooms over the Gilmore & Armstrong building in South Auburn. Office hours—8 to 12 a. m. and 1 to 5 p. m. W. H. LINN

Under an order of the Commissioner of Pensions, an old soldier who is 62 years old now gets \$6 per month, on account of age, whether he is disabled or not. One who is 65 years gets \$8 per month, at 68 he gets \$10, and at 70 years he gets \$12.

Miss Jessie Steuteville has accepted a position as teacher in the second primary department of public schools at Gering, Nebr., at a salary of \$50 per month. Miss Jessie is a good primary teacher and will give good satisfaction. We regret to have her leave.

The Christian Sunday school will give a bean social in the Hoover store room south of Keeling's drug store, Saturday evening, April 2. Ice cream and cake will be served. Supper will be ready at 5:30 o'clock. Proceeds for the benefit of the Sunday school. Everybody invited.

David Ruse died very suddenly Saturday evening at his home near Sidney, Iowa. He had been out to the mail box to get the mail, then went in and sat down in a chair. His son-in-law heard him say "Oh, dear" and saw him start to fall just in time to catch him. Mr. Ruse was a brother-in-law of James Hiatt. Mr. Hiatt went to Sidney Sunday to attend the funeral.

The musical given by Miss Maye Gaither and members of her class, at the Christian church last Saturday night, was a success in every respect. Although some of the pupils had taken less than a term of lessons, all acquitted themselves with credit. There was a fair audience but not near so large as it should have been. We trust that the next time that Miss Gaither gives a musical the citizens will give her a crowded house. The concert given was deserving of a liberal patronage.

**Over-Work Weakens Your Kidneys.**

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

A. E. Camblin arrived in Nemaha Thursday and has taken charge of the Edwards & Bradford Lumber Co.'s business here. Mr Camblin has been manager of the company's yard at Concord, Nebr., for some time. He will fit up the furniture room for living rooms.

Fritz Wilkening, who has been here for two or three months, goes to Graf.

There are various rumors regarding what the B. & M. is going to do on this branch of the road. One rumor is that the train from Beatrice that now lays over at Nemaha will soon run through to the city again. Another rumor is that the Atchison freight will stop at Rulo, and a train will run from Nebraska City to Falls City and return each day. Probably the head officials know what is to be done. The rest of us can only guess.

A Great Sensation

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." There is an aching and tired feeling, the liver, bowels, and kidneys become sluggish and inactive, the digester impaired, with little or no appetite no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during the winter, there has been an over accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and give strength in place of weakness. 50c at Hill's.

Robbed the Grave

A startling incident is narrated by John Oliver of Philadelphia, as follows "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to take Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Keeling's drug store.

A Thoughtful Man

M M Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr King's New Life pills and she got relief at once and was finally cured. Only 25c at Keeling's drug store.

Holds Up a Congressman

"At the end of the campaign," writes Champ Clark, Missouri's brilliant congressman, "from overwork nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all of my organs were out of order, but three bottles of Electric Bitters made me all right. It's the best all-round medicine ever sold over a druggist's counter." Over-worked run-down men and weak, sickly women gain splendid vitality from Electric Bitters. Try them. Only 50c.—Guaranteed by Keeling.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M T Hill.

Ran A Ten Penny Nail Through His d.

While opening a box, J. C. Mount of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. **LIVER TROUBLES**

"I find Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM GOFFMAN, Marblehead, Ill.

Cures When Doctors Fail

Mrs. Frank Chiasson, Patterson, Ia., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return, I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel very grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering with malaria, as it will surely cure them." Herbine, 50c bottle at Hill's.

Gained Forty Pounds in Thirty Days

We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—Holley Bros. Merchants, Long Branch, Mo. For sale by W. W. Keeling.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by W. W. Keeling.

What is Foley's Kidney Cure?
