**Catarrh of the Stomach.**

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucin instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Cassville, Mo. For sale by W. W. Keeling.

**Over-Work Weakens Your Kidneys.**

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Just now you can get your choice of this land at a very low price, and you will be surprised what a delay of a few days will do for you in the price of the land.

**Robbed the Grave**

A startling incident is narrated by John Oliver of Philadelphia, as follows "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to take Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Keeling's drug store.

The comedy-drama, Diamonds and Hearts was given by local talent Saturday night. The play was a good one but on account of confusion in the hall caused by late arrivals and the rapid delivery of some of the actors at times it was not intelligible, especially to those in the rear of the room. The acting of Mrs. Earle Gilbert and Will F. Keeling was especially good. Will F. Sanders made an excellent darkey. Miss Nora Aynes had a bad cold but did well notwithstanding. The remainder of the cast did well.

Again the political schyster is attuning his voice for a campaign in which the oppressed and down trodden farmer is the burden of his song. We are always safer in being a little shy of the fellow who wants to secure votes for himself or his party by appeals to prejudice.—Granger.

We are pleased to see that Bro. Dundas has reformed, as in former times he was one of the very fellows that went over our land talking of the poor down trodden farmer. But it is a little tough that John has deserted Billy Bryan and other calamity howlers.

"I find Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to exceed it."—WILLIAM COFFMAN, Marblehead, Ill.
