

Gained Forty Pounds in Thirty Days

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on the Tablets.—Holley Bros. Merchants, Long Branch, Mo. For sale by W. W. Keeling.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Hill, Druggist, W. W. Keeling.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

W. W. SANDERS & SON, Prop's.

FRIDAY, MAY 13, 1904.

We had a cold rain Thursday afternoon.

Mrs. Wheelon of Auburn has been visiting her son, W. E. Wheelon, for the past week.

Harry Kimmel, the actor, will return to Nemaha soon and put on the drama, "The Convict's Daughter."

Alf B. Kinton says if we don't quit telling about having a nice rain he would be compelled to quit us cold, as he is tired of it. He says it is too much of a good thing. He would like to see some nice warm sunny weather.

Ed Knapp received a letter from his father Thursday, saying Mrs. Knapp was not feeling quite so well since her removal to the home of her daughter, Mrs. Shellenberger. Mr. Knapp is feeling stiff and sore yet, but the baby is about well.

Some of the residents of St. Deroin and vicinity, are quite indignant over the discontinuance of the postoffice at that place, and many of them blame the postmaster at Nemaha and rural carrier No. 2 for the order—neither of whom, by the way, had the least thing to do with it.

Rafe Mason of Auburn and another young fellow were put in jail in Brownville a few days ago for being drunk and disorderly. Rafe got tired of the close confinement, so pried off a board and skipped out. The other fellow was evidently better satisfied, as he would not leave when the opportunity was given him.

If you are interested in knowing how the farmers, merchants, manufacturers and railroads are being assessed this year send 25 cents for a trial subscription to the Lincoln Evening News. This will give you the reports of the state conventions, and an all round live newspaper. One month's trial will probably make a subscriber out of you.

This country is yet in its infancy, and home seekers should avail themselves of this opportunity to get a farm in the Big Horn Basin. Just now you can get your choice of this land at a very low price, and you will be surprised what a delay of a few days will do for you in the price of the land.

Robbed the Grave

A startling incident is narrated by John Oliver of Philadelphia, as follows "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to take Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Keeling's drug store.

Death of Mrs. Strain

Mrs. Letitia A. Strain, widow of John Strain, died at her home in London precinct at 2:30 p. m. Thursday, May 12, 1904. Mrs. Strain has been in very poor health for several years, suffering from a complication of diseases. For two or three months she has been confined to her bed most of the time.

Mrs. Strain was a native of McLean county, Ill., removing with her husband to Nemaha county in 1856, and assisted in making the home where she resided at her death. She was a good wife, mother and neighbor, loved by her family and respected by all who knew her. She leaves four daughters and two sons—Mrs. Lizzie Hacker, Mrs. Mattie Dorram, Mrs. Nettie Kuewitzky, Mrs. Maggie Farson, John C. Strain and Arthur Strain—to mourn the loss of a kind and loving mother.

Arrangements had not been made for the funeral at the time of going to press.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in 1/2 pound packages and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that the Defiance Starch has printed on every package in large letters and figures "16 ozs". Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.

LIVER TROUBLES

"I find Theford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marblehead, Ill.
