Going home the other night we ran into a dry goods box kindly placed in middle of the sidewalk in front of a store. Picking ourself up we went on few steps and walked off the sidewalk into the mud. A few steps farther and we walked into a pile of brush. Next we fell over a lawn swing. At last we arrived home bruised but thankful. And we insist we were strictly sober.

We, the bereaved sons, daughters and brother, wish to express our heartfelt thanks for the abundant kindness and sympathy shown during the sickness, death and burial of our dear loving mother and sister.

Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strenghtens the whole system.—M T Hill.

Traveling is Dangerous

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street car men, teamsters and all who drive very much, suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. E. Hausan locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure.—M T Hill.

Willard H. Dressler, now a resident of Carroll, Ner., had an exciting experience one night last week. He rooms with six others over the First national bank of that place, and on the night mentioned they were aroused by a noise in the bank and tried to arouse the people over the phones. One of the burglars saw one of the boys at the window and shot into the room, but fortunately without hurting any one. About this time a charge of nitro-glycerine exploded in the bank and wrecked the safe, but the burglars did not get the cash, but got \$29 that had been left in the money drawer. They got in the vault by using a skeleton key. After the explosion they skipped out. No one was hurt.
