The street fair and carnival at Shubert last week was very successful, considering the weather. There was good entertainment both days and good crowds. The Nemaha people turned out well.

The republican central committee met at Auburn Saturday and elected Thos. S. Horn chairman in place of Chas. O. French, who resigned that position on account of being nominated for county attorney.

Rev. D. B. Lake moves to Vesta this week, where he will be pastor of the Methodist church for the ensuing conference year. The people of Vesta are to be congratulated on securing the services of so able a preacher.

The Advertiser extends congratulations to our old friend Dr. B. F. Lorraine and wife of Brock, on the birth of a son last Sunday. As the doctor has seven daughters and this is the first son his joy and pride may be imagined.

The Auburn Herald last week attacked the editor of the Granger, who is a candidate for state senator. The two editors work together to defeat the republicans but have no love for each other. We suppose both are telling the truth now.

Miss Florence Minick was one of the entertainers at Shubert street fair and carnival last week. The Shubert Citizen says: "Miss Minick was here, and the appreciative audiences present listened to her beautiful readings with greatest of pleasure."

The Christian Sunday school will give a combination social at the Minick hall Saturday night of this week. Box suppers will be sold and ice cream and cake and bean soup will be served. If you don't want to buy a box buy ice cream. If you don't like ice cream go and eat bean soup. If you like both so much the better. The proceeds will be used in buying song books for the church. Good singing is a great help in church services, and to have good singing books are necessary, so we hope there will be a good attendance.

PUBLIC SALE

Desiring to move away I will sell a public auction at my farm one mile west and 4 miles south of Nemaha and one half mile west and 2 miles north of Shubert on Wednesday, Oct. 12, 1904, the following property: 8 head of horses, 9 head of cattle, 13 head of hogs and all farming implements and household goods. See bills. A. T. JONES.

Herbert R. Howe, nominee for representative on the republican ticket, is one of the best business men of Auburn. He did not want to be a candidate as he felt he could not afford to neglect his business affairs, and only consented to do so when appealed to by many of the best business men of Auburn, as well as by republicans throughout the county. He is a popular young man and will receive a big vote.

A number of the friends of Mr. and Mrs. J. J. Alexander gave them a pleasant surprise last Friday night. They went in a body to the home of Mr. and Mrs. Alexander, and the surprise was a complete one, as they had gone to bed. The evening was passed very pleasantly. Ice cream and cake had been taken by the party. Mr. and Mrs. Alexander appreciate very much the evidence of the friendship felt for them by the citizens of Nemaha.

It has been rumored that George W. Cummings, republican nominee for county commissioner, would not accept the nomination. How this rumor, got started we do not know, but there is nothing in it. Mr. Cummings will accept the office if elected, and we have every reason to believe he will be. He has been attending the St. Louis exposition, but will be home in a few days and will then get out among the people. Where he is known it will not be necessary to do any campaigning.

Hon. V. P. Peabody is one of the very best men that could have been selected for representative. Even his political enemies admit his ability and his honesty. He did not seek the office, and only allowed his name to go before the convention at the earnest and repeated solicitation of his friends. He is a patriot, an old soldier who suffers from injuries received in the service, and a good citizen. He is a scholar and a gentleman, Nemaha county may feel proud of being represented in the legislature by V. P. Peabody.

Road overseers—Dist. 32, C. L. Russell Dist. 33, J. H. Seid. Dist. 34, W. T. Russell.

For real, genuine enterprise the Omaha Bee leads the procession. It has just added new color magazine features to The Sunday Bee which compare favorably with the best New York and Chicago papers. The enormous expense involved in giving its readers the benefit of the latest innovations in artistic color press work may not be fully understood, but it should be richly rewarded with greatly increased patronage. It is certainly gratifying to know that we have such an enterprising newspaper in the west and it must be equally gratifying to The Bee to know that it is recognized as the only metropolitan paper published in this section. If you have not seen the new feature, buy a Bee next Sunday.

Going to St. Joseph for the Races and Autumn Festival October 12 to 13? If you don't go you will miss a great time.

There will be something going on all the time during those four days.

The races of the St. Joseph Business Men's Driving Club at Lake Contrary Driving Park will be the principal attraction during the daytime, and there will be so much to interest you at night that you will be sorry the festivities do not last longer.

All the railroads have announced reduced rates—one and one-third fare for festival week, and all the attractions in the city, of which there will be many, will be free to everybody.

There will be some excellent races at Lake Contrary, to which the nominal admission of twenty-five cents will be charged. These will take place each afternoon. Everything else is to be right in the city, and nobody will be permitted to pay anything to witness the events.
