**Thousands Have Kidney Trouble and Don't Know It.**

**How To Find Out.**  
 Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What to Do.**  
 There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

The old Alexander Skeen farm lying northwest of town was sold a few days since to Joseph Moore for \$75 per acre.—Nemaha correspondent in Granger.  
 The above item is all right with a few exceptions. The farm, which belonged to J. R. Russel, has been sold to E. E. Moore, at almost \$101 per acre, the 114 acres bringing \$11,500. One hundred acres of this land cost Mr. Russel \$60.50 per acre four years ago. The remaining 14 acres cost him \$100 per acre, making the whole farm cost \$7,900. He has made big interest on his money during these four years. Last year his corn crop brought him in \$28 per acre. Now he sells at an advance over what he paid four years ago of \$3,600, a profit of over 45 per cent on his investment.

An exceptionally beautiful cover serves as a harbinger of the good things contained in the November Housekeeper. The entertaining fiction includes the continuation of Robert Bacon's strong serial, "The Rainbow Quest," "Adriagal's Vexation of Spirit," by Edgar W. Cooley, "The Steel-Lined Flat," by W. Bert Foster. Two new departments are instituted in this number: "Woman's Health," conducted by Dr. Kate Lindsay, and "The Entertainer," conducted by Marjorie March. The quaint community of Amaná, in Iowa, is pictured in a double page of beautiful illustrations. The enlarged Fancywork Department, under the direction of Mrs. A. E. Arnstrutter, contains instructions for modern Queen Elfrida stitch-work. In the realm of cookery Elizabeth W. Morrison tells and illustrates how to serve a Thanksgiving dinner, and Mary Foster Snider gives many new ways of using apples. Published by The Housekeeper Corporation, Minneapolis, Minn.

There appears to be no cause for haste on the part of aspirants for congress in the First district. Congressman Burkett will be promoted to the senate by the next legislature, but unless there is a special session of congress next year, his successor in the house of representative cannot be chosen until the next general election in November. It appears to be impossible that Governor Mickey will be called upon to appoint Mr. Burkett's successor.

In the first place there will be no vacancy until March 4. Congressman Burkett's term will end then. He has been re-elected to succeed himself, but will resign.

The statute provides in one section that if a vacancy occurs thirty days prior to any general election the office shall be filled thereat. Another section, relating directly to congressmen, says that when a vacancy occurs and the body in which such vacancy exists shall convene prior to the next general election, the governor shall order a special election. Only ten day's notice of such special election is necessary. The regular session of congress next year will be held December 1. As the vacancy will not occur until March 4, Mr. Burkett's successor will be chosen at the general election in November next year, providing a special session of congress is not called by the president. Mr. Burkett's successor, whoever he may be, will therefore in all probability be chosen at a regularly called convention next summer. This will give candidates ample time to get their second wind for the race.—State Journal.

**AUBURN LOCALS.**

Judge J. S. Stull left Monday for Oklahoma.

Judge Kelligar is holding court at Fairbury this week.

District court which was set to meet Monday of this week has been adjourned till Dec. 5.

L. Milan and wife returned home last week from a visit to their old home in Illinois.

Tom Crummel and J. M. Armstrong left Tuesday for their oil well at Cleve land, Oklahoma.

Representative elect H. R. Howe has been under the doctor's care for the past few days.

The brick work on the new M. E. church was completed this week. The interior will now be finished as rapidly as possible.

Wm. McKenney and wife and Alex. McKenney left Wednesday for their homes in Oklahoma after a four month's visit with their children in this county.

County attorney elect Chas. O. French was married in Lincoln last Saturday to Miss Sue Lowry of Lincoln. The young couple left immediately for St. Louis to see the exposition.

Hon. T. J. Majors of Peru was in the city Tuesday consulting with the politicians. The daily state papers say that Tom will be a candidate for Congress to succeed E. J. Burkett. His visit to Auburn may have something to do with his candidacy.

Died, at the hospital in Falls City on Tuesday, Nov. 15, 1904, Mrs. Della, wife of ex-judge H. A. Lambert, aged 33 years, 9 months and 21 days. The cause of her death was consumption. Three little girls and the husband are left to mourn the loss of a loving mother and wife. Mrs. Lambert was the first child born in Sheridan, now Auburn, on January 21, 1871. The judge has the sympathy of a large circle of friends in this, his sad hour of bereavement.

Quite a notable golden wedding was celebrated at Peru last Saturday at the home of Mr. and Mrs. Thomas F. Williams, the golden bride and groom. About 100 guests were present and among them two of the bride's brothers who had also celebrated their golden wedding. A golden wedding is an unusual occurrence but when two brothers and a sister all celebrate a golden wedding it is an event that seldom happens. Wm. McKinney, a brother of Mrs. Williams, celebrated his golden wedding at Gip, Oklahoma, on Feb. 19, 1902, and on Sept. 22, 1903, Alex. McKinney, another brother, celebrated his golden wedding at Custer City, Oklahoma. Mrs. McKinney has since died. These two brothers and their sister are the three youngest children of a family of twelve. Wm. McKinney has raised a family of twelve children and a nephew, only one of whom has passed over the dark river. Alex. McKinney is the father of eleven children and Mrs. Williams the mother of six. No race suicide in this family.

**First Class Entertainments:**

We take pleasure in submitting for your consideration the following course:

- Mrs. William Calvin Chilton, Nov. 22
- Peterson Sisters Concert Co., Dec. 31
- Meistersingers Male Quartette, Feb. 13
- John G. Scorer, Lecturer, March 13

All come highly recommended and promise a series of entertainments at once refined, entertaining and instructive.

Mrs. Chilton is a monologist and is recommended as having "few if any superiors" as a reader.

The Peterson Sisters Concert Co. consists of four sisters "who are both a lady quartette and an orchestra, playing instruments as well as singing," assisted by Sidney Landon, an impersonator and elocutionist.

The Meistersingers, if testimonials mean anything, seem to give general satisfaction wherever they go.

John G. Scorer has "in all of his work a two-fold purpose—to instruct and to entertain."

While tickets for other courses in neighboring towns are selling for \$1.50, we are able by special arrangement to offer the season ticket for the entire course for \$1.00. The prices for the numbers singly will be 25 cents for the first and 35 cents for each of the others. You see it will pay you to buy a course ticket. Buy your tickets early so as to get your choice of seats.

**SCHOOL NOTES**

The educated man has a broader view than his uneducated neighbor.

Look about you and find something that ought to be done that is not done—then do it.

Nemaha and vicinity contributed her quota to the Teacher's Meeting at Johnson last Saturday. All say it was an excellent meeting. It seems that Supt. Carrington is noted for such.

The seventh and eighth grades are doing some work in practical measurements. The specimen alluded to in last week's notes was only one of their measuring poles. Besides it their armament consists of a tablet, pencil and yard stick.

The high school girls have caught the spirit that actuates our worthy county superintendent. The high school room will probably present quite a different appearance by the time they are thru with it. They "have found something that ought to be done and are doing it."

It has been said, "That the brain is the most abused part of the body." We furnish our body with protection from the cold and give it good wholesome food. Do we protect our brain from the ravages of worry? Do we nourish it with good, clean, wholesome food? Do we allow it the opportunity to grow or do we stunt it by some bad habits?

Did you ever stop to think that the greater part of the troubles of this world is due to lack of understanding? Pupil does not understand teacher, teacher does not understand pupil and possibly patron understands neither. One is sometimes inclined to think that some do not understand themselves even. We should seek to make ourselves understood, for that is a part of education and a very practical part too.

Reading circle met at Dr. Gathers last Friday eve and spent an hour and one half in interesting and profitable discussion. It will meet with Mrs. May next time on Friday evening Nov. 25. Mr. Edwin Sanders will review chapters twelve and thirteen of Sabin's book and Miss Stella Washburn will review chapters fourteen and fifteen. Each member will be expected to give two quotations from Sabin's book from memory.

**Robbed the Grave**

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to take Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed at Keeling's drug store.

**Brutally Tortured.**

A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Golobick, of Colusa, Cal., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters, and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney Troubles and general debility. Only 50c. Satisfaction guaranteed by Keeling, druggist.
