

ACHED IN EVERY BONE.

Chicago Society Woman, Who Was So Sick She Could Not Sleep or Eat, Cured by Doan's Kidney Pills.

Marion Knight, of 33 N. Ashland Ave., Chicago, Orator of the West Side Wednesday Club, says: "This winter when I started to use Doan's Kidney Pills I ached in every bone and had intense pains in the kidneys and pelvic organs. The urine was thick and cloudy, and I could barely eat enough to live. I felt a change for the better within a week. The second week I began eating heartily. I began to improve generally, and before seven weeks had passed I was well. I had spent hundreds of dollars for medicine that did not help me, but \$6 worth of Doan's Kidney Pills restored me to perfect health."

IT'S THE TERROR OF ALL WOMEN

Backache Quickly Cured by Dodd's Kidney Pills — Mrs. W. H. Ambrose Tells How Her Pains Vanished Never to Return When She Used the Great American Kidney Remedy.

Dover, Ky., Feb. 13th.—(Special.)—So long has Backache been the terror of the women of America that the numerous reports of the complete and permanent cures of this ailment now being made by Dodd's Kidney Pills are causing wide satisfaction and not the least remarkable of these cures is that of Mrs. W. H. Ambrose of this place. Mrs. Ambrose says:

"I had such pains in my back at times I could hardly move and other symptoms showed that my kidneys were affected. One box of Dodd's Kidney Pills drove away all the pains and I have never been troubled since."

Backache is the kidneys' first notice that they are out of order and need help. If they get that help in the form of Dodd's Kidney Pills all will be well. If they are neglected the disease may develop into Diabetes, Bright's Disease or Rheumatism.

The U. S. Dept. of Agriculture gives to Salzer's Oats its highest endorsement. Salzer's New National Oats yielded in 1901 from 150 to 300 bu. per acre in 30 different States, and you, Mr. Farmer, can beat this in 1905, if you will.

Speltz or Emmer, above illustrated, gives 80 bushels grain and four tons hay besides per acre. It's wonderful. Salzer's seeds are pedigree seeds, bred up through careful selection to big yields.

Salzer's Beardless Barley yielded	121 bu.
Salzer's Home Builder Corn	300 bu.
Salzer's and Macaroni Wheat	80 bu.
Salzer's Victoria Rape	60,000 lbs.
Salzer's Teosinte Fodder	100,000 lbs.
Salzer's Billion Dollar Grass	50,000 lbs.
Salzer's Pedigree Potatoes	1,000 bu.

Now such yields pay and you can have them, Mr. Farmer, in 1905.

"The Road to Wellville" Pointed the Way.

Down at Hot Springs, Ark., the visitors have all sorts of complaints, but it is a subject of remark that the great majority of them have some trouble with stomach and bowels. This may be partly attributed to the heavy medicines.

Naturally, under the conditions, the question of food is very prominent.

A young man states that he had suffered for nine years from stomach and bowel trouble, had two operations which did not cure, and was at last threatened with appendicitis.

He went to Hot Springs for rheumatism and his stomach trouble got worse. One day at breakfast the waiter, knowing his condition, suggested he try Grape-Nuts and cream, which he did, and found the food agreed with him perfectly.

After the second day he began to sleep peacefully at night, different than he had for years. The perfect digestion of the food quieted his nervous system and made sleep possible.

He says: "The next morning I was astonished to find my condition of constipation had disappeared. I could not believe it true after suffering for so many years; then I took more interest in the food, read the little book "The Road to Wellville," and started following the simple directions.

"I have met with such results that in the last five weeks I have gained eight pounds in spite of hot baths which take away the flesh from anyone.

"A friend of mine has been entirely cured of a bad case of indigestion and stomach trouble by using Grape-Nuts Food and cream alone for breakfast.

"There is one thing in particular—I have noticed a great change in my mental condition. Formerly I could hardly remember anything, and now the mind seems unusually acute and retentive. I can memorize practically anything I desire." Name given by Postum Co., Battle Creek, Mich.

HOUSEHOLD TALKS

Coconut Bonbons.

Take two cupfuls of sugar, half a cupful of desiccated coconut, half a cupful of milk and boil all together for five minutes. Pour out part of this on a buttered plate to harden. Divide the remainder into two portions, leave one in the kettle and pour the other into another saucepan. Add to this a few drops of cochineal or a little strained cranberry, to turn it a pretty pink. Stir just long enough to get the coloring to take evenly, and turn out to harden. To the last portion add two tablespoonfuls of melted chocolate. Cook for two minutes and turn out to cool. If you have any difficulty in managing the recipe in this way the three different flavorings can be made separately.

Potato Salad With Celery.

Six or eight cold-boiled potatoes, one-third the same bulk of celery, one egg, one teaspoonful of salt, one teaspoonful powdered sugar, one-half teaspoonful of white pepper, one scant teaspoonful dry mustard, two tablespoonfuls salad oil, four of vinegar; stir salt, sugar, pepper and mustard into the beaten yolk of the egg; add the oil a little at a time, then the vinegar, lastly the beaten white; cut the potatoes and celery into small bits, mix and pour the dressing over them. Garnish with parsley or celery tops.

Prune Custard.

Stew gently the desired quantity of fruit an hour and a quarter in a porcelain lined farina kettle. When cool, rub through the colander, or if you wish it very nice, through a finer strainer. Have sufficient juice to make the pulp quite thin; return to the range and heat to almost boiling. For each pint of fruit stir in two well-beaten eggs, remove immediately and flavor with lemon or any tart extract desired. Set away to mold and serve with thick cream.

German Cabbage.

Shred cabbage to fill a quart measure, closely packed. Put in water. Heat in a saucepan two level tablespoonfuls of butter, with a little salt and pepper. Put the cabbage in with only as much water as will drip from the bowl, and simmer for twenty minutes, stirring occasionally. When done, add one tablespoonful of vinegar and let heat. Heap on a platter, and put washed potatoes around the edge of the platter.

Sunshine Cake.

Mix together the well-beaten yolks of five eggs, a cup of granulated sugar and three-quarters of a cup of flour sifted thoroughly with a half-teaspoonful of cream of tartar and a dash of salt. Beat for twenty minutes, then whip in two teaspoonfuls of orange juice and one teaspoonful of lemon juice and fold in lightly the stiffened whites of seven eggs. Bake in a steady oven for three-quarters of an hour.

Meek Cherry Pie.

These mock dishes are such a surprise to those who have never partaken of them and a source of a great deal of guessing for the members of the family. One cupful of cranberries cut in halves, one cupful of raisins, seeded and cut in pieces, three-quarters of a cupful of sugar, one tablespoonful of flour, the grated rind of a small lemon and a few bits of butter. Bake with crusts.

Pork Roll.

Take a piece of pickled side pork, fat and lean together, spread with a seasoning of powdered sage and a little pepper, roll up tightly, wind a cloth tightly around it and tie so the edges will not curl, boil tender in plenty of water; take from the liquor; when ready to serve, remove the cloth and slice. Serve with tomato or currant catsup.

Short Suggestions.

Tar stains should be rubbed with paraffin and paint stains with paraffin or turpentine.

When it is necessary to pour boiling water into a tumbler or glass cup, put in a teaspoonful first and there will be no danger of the glass cracking.

To dissolve gelatin it is best to break it up small and soak in cold water for two or three hours. Then stand the basin containing it over a saucepan of boiling water and stir it till dissolved.

To sweeten rancid butter melt the butter and skim it, then put in a piece of toast (brown but not burnt). In a few moments the butter will lose its offensive taste and smell, which the toast has absorbed.

Women in Our Hospitals

Appalling Increase in the Number of Operations Performed Each Year—How Women May Avoid Them.

Miss Ruby Mushrush

Mrs. Fred Seydel

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Ovarian and womb troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhoea, dizziness, flatulency, displacements of the womb or irregularities. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervous-

ness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

The following letters cannot fail to bring hope to despairing women.

Mrs. Fred Seydel, 413 N. 54th Street, West Philadelphia, Pa., writes:

Dear Mrs. Pinkham:—
"I was in a very serious condition when I wrote to you for advice. I had a serious womb and ovarian trouble and I could not carry a child to maturity, and was advised that an operation was my only hope of recovery. I could not bear to think of going to the hospital, so wrote you for advice. I did as you instructed me and took Lydia E. Pinkham's Vegetable Compound; and I am not only a well woman to-day, but have a beautiful baby girl six months old. I advise all sick and suffering women to write you for advice, as you have done so much for me."

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:—
"I have been a great sufferer with irregular menstruation and ovarian trouble, and about three months ago the doctor, after using the X-Ray on me, said I had an abscess on the ovaries and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Mrs. Pinkham invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.
