A Terrible Accident

D. H. Clark Instantly Killed.

The community was terribly shocked Monday forenoon by the news of the accidental shooting of D. H. Clark. Mr. Clark had been to Nemaha and started home shortly before ten o'clock. He was driving one horse to a buggy, and had a loaded shot gun between his legs. John I. Dressler and Frank were driving a short distance behind him. When near the northeast corner of the Titus nursery Mr. Dressler heard the report of a gun and saw Mr. Clark's hat fly off. Feeling sure there was an accident he hurried and caught up with Mr. Clark's horse, which was walking along, and jumped out and stopped the horse. He was horrified to see that the shot had struck Mr. Clark in the side of the head, almost blowing the side of his head off. Mr. Dressler stood up in the back part of the buggy and supported the body until Frank hurried to the home of E. L. Paris and got help.

Examination showed that the gun, which was still standing between Mr. Clark's legs, had been fired off, probably by being jolted by the rough roads, and the load of shot had struck Mr. Clark under the left jaw, tearing away almost the entire left side of the head. He breathed for a few minutes but his death was practically instantaneous. He never knew what hurt him.

Neighbors went to the home and as gently as possible broke the sad news to the wife. Coroner Lutsen was informed and at first decided that an inquest was not necessary, but afterwards decided that it would be best to hold one, and came to Nemaha Tuesday evening and held the inquest. The verdict was that the deceased came to his death by the accidental discharge of the shot gun.

The funeral services, conducted by Victory lodge No. 195, Independent Order of Odd Fellows, of which deceased was a member, were held at the home Wednesday, March 1, at one o'clock p. m. Rev. M. M. Goode of St. Joseph preached the sermon.

A large crowd of friends was present to pay the last tribute of respect to a friend and neighbor. The body was laid at rest in the Brownville cemetery.

Doctor Holliday Clark was born in Nemaha county, October 11, 1869 and has always lived here. He was married to Miss Maud Chamberlain, daughter of Rev. E. S. Chamberlain, on September 9, 1895. Besides his wife he leaves four children—two daughters aged eight and six years respectively, and two sons three and two years old. His aged mother, who has made her home with him since the death of her husband, also survives him, and he leaves four sisters and two brothers—Mrs. M. M. Goode of St. Joseph, Mrs. Sam Barnes of Smith county, Kansas, Mrs. Dan Schell, who is a teacher in the Philippine Islands, and Mrs. B. F. Jones of Nemaha county, Thos. A. Clark, of St. Paul, Nebr., operator of the U. P. R. R., and Lee Clark, who is a soldier in the regular army, stationed at the Philippine Islands.

The deceased was a prominent citizen of this community, taking an active part in political matters, being a strong republican. He was deputy assessor last year and had been appointed again.

Mr. Clark carried \$1000 life insurance in the A. O. U. W. lodge, belonging to the lodge at Brownville. He also carried \$2000 insurance in an old line company, and \$2000 accident insurance.

The sympathy of the entire community is extended to the bereaved wife and children in their great sorrow.

The five months old babe of Mr. and Mrs. Wm. Moore died Thursday night. It will be buried at Nemaha cemetery on Saturday at 10 o'clock a. m. The parents have the sympathy of all in their bereavement.
