**GOOD FARMS AND LANDS CHEAP**

There is absolutely better farm lands for the money, and more money to be made on increase in land, in South Dakota, than any other section of the United States for the next few years, as has been the case in the past few years. We have made a specialty of these lands for several years. Write for our descriptive booklet, which you will find valuable. Cheap excursion rates any day.

RIKER AND CHAMBERS, General Land and Immigration Agents, 406 Bee Building, Omaha, Nebr.

Under the statutes every candidate before a political convention is required to file a detailed statement of his election expenses within ten days following the convention. This applies alike to the defeated and victorious. The proper blanks may be secured by making application to the county clerk.

The democrats will have a county convention on Saturday, at Auburn, and the populists will at the same time have a mass convention—we suppose to again fuse with the democrats. They have fused themselves so hard out of existence that they no longer attempt to elect delegates.

A surprise party was given John Minick Wednesday evening of last week, at the home of his parents, Mr. and Mrs. O. L. Minick, near Bracken. Although the evening was rainy and disagreeable, a goodly number of his young friends were present, and the evening was greatly enjoyed by those present.

The Nemaha schools opened Monday morning, with Carl E. Sanders as principal, Miss Stella Washburn teacher of the intermediate department and Miss Myrtle Jones teacher of primary department. The school starts out with an enrollment of 121—46 in the high room, 40 in the intermediate and 35 in the primary. There are a number of non-resident pupils in attendance.

Last Sunday when the editor went home for dinner he found that some one had entered the house. All the family were attending the Sunday school convention at the park. By doing a little detective work it was soon discovered that the marauder was C. W. Roberts, but as he had done no damage, but had left three fine watermelons and a sack of grapes no arrests were made. We would like to have more such calls.

The district meeting of the Rebekahs that was to have been held Wednesday afternoon and evening was a failure so far as representation from outside lodges was concerned, the rain keeping the representatives away. The members of the home lodge had a fine supper prepared, which they had to eat themselves. They had a splendid time, even if there was no one present away from here. Those who failed to be present do not know all they missed.

The following precinct ticket was nominated by the republicans at the primaries last Saturday:

Justices of the Peace—W. W. Sanders and H. T. Minick.  
 Constables—W. G. Maxwell and Ben I. Colerick.  
 Constables—Dist. 32, C. L. Russell; Dist. 33, J. H. Said; Dist. 34, W. T. Russell.  
 August Quiller, Chas. Howe and J. A. Stephenson were recommended for judges of election and S. C. Lawrence and P. A. Hacker for clerks.

Six weeks ago we called attention to an assertion of the Granger regarding the "growsome doctrine of the Methodist church that places Bro. Harrison outside the pale of the blessed," and called on the editor to point out the aforesaid "growsome doctrine." John finally refers to it in this week's Granger, but does not even attempt to quote the doctrine referred to. Please give us the doctrine of the Methodist church or acknowledge that you made an assertion without any basis simply in an endeavor to injure the churches.

Wm. Rader, who lives north of town, bought a fine young boar of Chas. Edwards, of below Nemaha, the last of the week to place with his herd. The animal is a thoroughbred of the O. I. C. variety and attracted a good deal of attention from people who are judges of swine, during the owner's stay in town. —Brownville Letter.

Wednesday afternoon the editor's three pigs got out of the pen. Upon being informed of that fact the editor went in search of them. He found one pig and after considerable trouble and running, falling over poles, running into barb wire, knocking a piece of hide off of one shin, etc., he finally got the pig in the pen. Then he got another pig in, and another, and then discovered another one, and on investigating found out that the first pig he got in, over which he had so much trouble, was not his pig at all. He will be a little more careful hereafter about the pigs he puts up.

Dr. Hal Smith, of Brownville, was nominated for coroner at the Nemaha republican county convention held at Auburn yesterday. Dr. Smith is the son of Rev. and Mrs. J. T. Smith, of this city and graduated from the Nebraska City high school in 1900. Smith is a fine fellow and ought to run ahead of his ticket. The class of 1900 of the local high school seems to have a decided political bent, for three of its members are up for office this fall: George Lathrop, for county recorder on the Oteo republican ticket; Dr. F. S. Marnell for coroner on the Oteo democratic ticket; and Dr. H. C. Smith for coroner in Nemaha county. —Nebraska City Tribune.

Nemaha had the most exciting primaries last Saturday that we have had for twelve years. There were two tickets out. The ticket composed of Frank Hacker, Casner Barnes, Ben Colerick, Chas. Howe, R. I. Brown, E. J. Maxwell, W. S. Russell and Jas. A. Stephenson was in the interest of W. S. Russell for sheriff. The one composed of W. H. Barker, J. A. Stephenson, W. W. Sanders, Wm. Hacker, G. N. Titus, Wm. Smiley, Lee Shubert and T. J. Rumbaugh was in the interest of Frank Titus for county clerk. There were 80 votes cast, the Titus ticket winning out, receiving 57 votes to 23 cast for the Russell ticket. There was no wrangling and apparently no hard feeling, it being a friendly scrap to see who would have this delegation.

The district Sunday school convention held in the park last Sunday was a success in every respect. The attendance was good, there being a large crowd from Nemaha and Champion, Brownville was fairly represented and a few were present from Howe. Several were here from Auburn. The papers read were all good and the discussions were participated in by many of the Sunday school workers. The interest did not lag in the least during the day—in fact the time was too limited for as much discussion as the people would have indulged in. L. L. Coryell of Auburn was the presiding officer and he made a good one. The success of the convention is due in a large degree to his efforts. At the close of the meeting a vote of thanks was extended to him for his efficient services.

**AN OLD TIMER.**

Mr and Mrs Alfred Rowen were serenaded Monday evening, Sept 11, in the old fashioned style at their home four miles southwest of Nemaha. The neighbor boys gathered at the Champion school house, going from there to John T. Webber's where they were informed that the bridal party had been seen going west through the field west of Mr Rowen's, about 8 o'clock p. m., Mr Webber having learned of the serenade and given his helping hand to the bridal party to help them make their escape.

From Mr Webber's the boys started to hunt the fleeing parties and discovered them in the wheat field west of their home. Hearing the boys they started across the field but the boys, being on horseback, soon overtook them and led their team back to their home. All the boys then gathered at Mr Rowen's home and gave the newly married couple a good send-off.

While part of the boys were waiting for the others to bring in the captives John Webber appeared on the scene and they gave him a rail ride in the good old style. The bride and groom were serenaded in the road west of the house.
