

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

LOUISVILLE, Neb., Feb. 11.—H. C. Hall, a Missouri Pacific brakeman, was killed here in the yards yesterday. He had stepped between moving cars to cut the air break and the wheel caught his left foot. He was run over the left leg and diagonally across the body, killing him almost instantly. His age was thirty-one years. His home was at Auburn, Neb., and he was married, with one child. The remains were taken to Weeping Water for an inquest.

John W. Knight is making arrangements to move to the northwestern part of the state, and last Sunday his relatives and a few friends gathered at his home south of Nemaha to give him a farewell reception. There were fifty present and the day was spent with pleasure to all. A fine dinner was enjoyed being provided by the guests. The following is a list of those present: Mr. and Mrs. Marion Seid, Mr. and Mrs. Edd Seid, Mr. and Mrs. Henry Seid, Mr. and Mrs. Jim Knight, Mr. and Mrs. Elias Adams, Mr. and Mrs. Ben Colerick, Mr. and Mrs. Frank West, Mr. and Mrs. Howell, Mr. and Mrs. Walter Fick, Mr. and Mrs. William Seid, David and George Seid, Hettie and Pearl Seid, Eliza Farson, Mell Colerick, Earl and Ernest Seid, Clarence, Ray and Cecil West, Minnie and Vern Colerick, Delbert and Blanch Seid, Carlton and Dale Knight, Preston and Lorena Seid Ray, Iva and Madge Seid, Meta Seid, Frank Howell, Ipha and Naomi Adams, Mr. and Mrs. John Knight, Arla, Neal and Nella Knight.

The attention of the district court was largely taken up last week by the hearings of the Peru drainage district cases.

As each property holder was made a defendant, individually, the hearings became rather monotonous. All the property owners affected by the proposed ditch were in favor of the project with the exception of John Mulhall, Wm. Lyon, the Harmon heirs and the C. B. & Q. railroad company.

They, however, were won over to the merits of the proposition and are now in favor of it and have withdrawn their objections.

Two non-resident defendants, one living in Wayne and the other in Dixon counties are yet to be heard from as service have not been rendered in their cases. Whether they will object or not is problematical, but as the majority of the property owners are in favor of the project and as the non-residents will be greatly benefited by the proposed improvement, their objections, in the event they are not willing to become parties to the project, will not avail much.—Herald.

The color work is highly ornate and correct in every detail, as are the character representations, costumes, etc.

The Twice-a-Week Republic is the oldest and best semi-weekly family paper in the country, and Farm Progress, which is also published by The Republic, is the fastest-growing farm monthly in America. It is the time when most of them order their reading matter for the year, renewing their subscriptions for their old favorite publications, subscribing for new ones, paying for their local paper, etc. We are glad to state that the Advertiser has made arrangements this year whereby we can offer our readers that ably edited farm paper, The Homestead, of Des Moines, Iowa, in connection with our own paper and other periodicals at exceedingly attractive prices.
