Mrs Emily McCandless went to Peru Tuesday afternoon, returning Wednesday evening.

Ray Clark's handsome black pony was taken very sick one night about a week ago, while Ray was visiting at a neighbor's. He had to leave the pony there until the next day, when it was hauled home, and by good and careful treatment was brought around all right in a few days.

Geo. R. MacDonald of Shubert gave an entertainment at the opera house Saturday night. On account of the meeting at the Christian church the attendance was small. Prof MacDonald gave a good entertainment. The recitation of the Chariot Race of Ben Hur was especially good.

Dunraven Castle No. 36, The Royal Highlanders, had a supper for the members and families Monday night. As most of the members live in the country, and the roads were very muddy, there were not so many present as is customary at these gatherings. After a program consisting of recitations by Daisy Clark and Gladys Swan, solos by Mrs. Lillian M. Allen and W. F. Keeling, duets by Mr. and Mrs. Allen, and a chorus, a fine supper was served, and though all present ate heartily, it seemed that more was taken home than was eaten.

Walt Maxwell was in Auburn the first half of the week, engaged in a law suit. Over two years ago Walt bought a span of mules of D. H. Clark. Mr Clark assured him there was no mortgage on the mules. Shortly afterward Walt sold the mules to Geo. R. Davis. After Mr Clark's death the First National bank of Auburn replevined the mules on a mortgage they held. Then Mr Davis sued Mr Maxwell for the value of the mules. This was the case tried this week before Judge Raper. The jury was out till one o'clock Wednesday morning, bringing in a verdict in favor of Davis for \$200. The case will probably be appealed. It is an unfortunate state of affairs, as neither Maxwell nor Davis were to blame and neither are able to lose nor to pay costs of a long law suit.

If you want a good book at a low price, call at the postoffice.

Hovhanness Murgurdeetch Choene-gaozyan, B. L. M. D., (John Baptist) lectured at the Christian church Monday, Tuesday and Wednesday nights, to crowded houses. Each night people had to stand, as there were not enough seats to accommodate all present. The lectures are very interesting, being sketches of his own life and the trials and persecutions of the Armenians by the Turks. He came to America nine years ago, being then entirely ignorant of the English language and without money but has made his own way, graduated from a college in Tennessee, later graduated from a medical college in Indianapolis. He gave a lecture at the opera house Thursday night, at which an Armenian wedding was given. The opera house was crowded. He will probably give another lecture at the Christian church tonight.

Books selling at \$1.25 and \$1.50 at Auburn and elsewhere only 75 cents at the postoffice news stand.

IF YOU WANT

Good Bread

TRY A SACK OF

Golden Rod Flour

High patent. Every sack guaranteed to give full satisfaction in every respect or money refunded. Always the same. No better flour made.

If you want a cheaper flour you cannot do better than to buy the

Red Seal

a straight grade flour. It has no superior in a grade flour. Many prefer it to a high patent.

For a still cheaper flour try the

Gold Leaf

It is a good flour of that grade. These grades are manufactured by Jamason & Son, Stella, Nebr., and are on sale at the store of

J. H. Vanderslice

NEMAHA, NEBR.

If you buy a sack of either of these grades and it is not just as represented, take it back and your money will be returned.
