Work was begun Thursday on the foundation for the Methodist parsonage. A stone mason from Nebraska City is doing the work.

Joe Littrell went to Glen Rock Wednesday to cook for Nat Titus's gang of apple pickers and help barrel apples. He is very lame yet from his injured foot but is getting better.

The walk to the depot is in very bad condition. There are many broken places and nearly all the walk is apparently about to collapse. It is nearly as bad as some of the Auburn walks. The village dads should have it repaired at once.

Traveling men who come to Nemaha after an absence of a year or two are surprised at the stocks carried—equal to those carried in much larger places, both as to quantity and quality. The increased trade shows the appreciation of our people.

Now it is said there is a crazy man in this vicinity. He called at Dan Maxwell's Wednesday morning and asked for something to eat, but before they got it ready for him he started up the road on a run. He called at Ed Maxwell's and went through about the same performance, and had previously visited Wm. Hawxby's in the same way. Ray Clark and Claud Maxwell met him on the road and he was talking to himself and laughing. He was on the road to Nemaha. We have not heard of his putting in an appearance here.

Best photos in southeastern Nebr at Criley's, So. Auburn.

Did you see those dollar watches at Keeling's? They're all right.

See R. E. Bucher for the Queen incubator and brooder. The prices are right.
