

We are in receipt of an invitation to the wedding of Miss Minnie Speece, of Ord, Nebraska, which will take place February 6, 1907, at 8 p. m. Miss Minnie is the daughter of Mr. and Mrs. J. L. Speece, and has many friends here, who will always be glad to hear of her happiness in her new relations in life.—Shubert Citizen.

Does coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health coffee yet its flavor and taste matches closely old Java and Mocha coffee. If your stomach, heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing and satisfying. It's safe even for the pounciest child. Sold by Earle Gilbert.

Barnett McIninch, the youngest son of Mr. and Mrs. W. H. McIninch, was united in marriage, Wednesday evening, to Miss Inez Williams, the daughter of Mrs. Isaac Williams.

The ceremony took place at 7:30 at the Christian parsonage, the rites being solemnized by Rev. Pettit. Only a few intimate relatives of the contracting parties were present. After the ceremony the groom took his young bride to his home, the old McIninch place on the Brownville road, east of town.

Barney McIninch is an industrious young farmer of the finest habits and character. His bride is a young woman of many good traits and their host of friends wish for them a long and happy married life.—Republican.

To stop a cold with "Preventics" is safer than to let it run and cure it afterwards. Taken at the "sneeze stage" Preventics will head off all colds and Gripp, and perhaps save you from Pneumonia or Bronchitis. Preventics are little toothsome candy cold cure tablets selling in 5 cent and 25 cent boxes. If you are chilly, if you begin to sneeze, try Preventics. They will surely check the cold, and please you. Sold by all dealers.

An odd and pretty salad is made of celery and apple. Instead of the usual crescents and cubes, the celery and apple are cut in long, narrow straws, mixed lightly with mayonnaise, and garnished with a fluffy border of water-cress.

Another salad is of potato and tomato. The freshly cooked potato is cut in very small pieces, placed in a bowl with a sigh of onion. A French dressing is poured over while the potato is warm and the whole allowed to stand for two hours in a cool place. When ready to serve, a fresh tomato is peeled, carefully scooped out, filled with the potato mixture, and a large spoonful of cooked dressing, to which whipped cream has been added, placed on top.—The February Housekeeper.

Hunting for Trouble

"I've lived in California 20 years and am still hunting for trouble in the way of burns, sores, wounds, boils, cuts, sprains, or a case of piles that Bucklen's Arnica Salve won't quickly cure," writes Charles Walters, of Alleghany, Sierra Co. No use hunting, Mr. Walters; it cures every case. Guaranteed at Hill Bros drug store. 25c.

County Treasurer Dirks has called in all of the outstanding London and Brownville railroad bonds. The total amount of the unliquidated bonds will approximate \$7,000.

Only \$2,500 worth of the bonds are owned in this county, the rest are held by investors who are represented by the fiscal agents in New York City.

All of the property owners in London and Brownville precincts have not yet paid their railroad taxes and those that are not yet in represent quite a little item.

The county treasurer would like to have all those that have not settled to come to his office and do so as he says that it will be a distinct advantage to those two precincts to have all these taxes paid up in anticipation of the retirement of the bonds. Whatever money that will be left over will go to those two precincts to be used for the public benefit, either for the schools or the benefit of the public roads of the precincts as they elect.—Republican.

Piles get quick relief from Dr. Shoop's Magic Ointment. Remember it's made alone for Piles—and it works with certainty and satisfaction. Itching, painful, protruding or blind piles disappear like magic by its use. Try it and see! All dealers.

The Granger would like to hurl a bouquet at, and send a chromo to Congressman Pollard for his vote against the increase salary bill. He did his duty only, but he is entitled to commendation for he did not go with the majority and then boast of party loyalty.—Granger.

D. J. Sinclair of Nebraska City, who has been postoffice inspector for a number of years, has been dismissed from the service. We regret to learn this, and we believe the majority of postmasters in his district have a kindly feeling for Mr. Sinclair. A. L. Rice of Lincoln and Walter Mullen of Holdrege have been appointed inspectors. The latter has for some time been one of the mail clerks running from Nebraska City to Holdrege. He is a nice fellow—all postal employes are.

Quackenbush of Nemaha county, is taking rank as one of the legal authorities of the house. He is a fusionist and this fact prevents him from having positions of importance on committees, but his advice is sought by even members of the majority party.—Lincoln Star.

Mr. Quackenbush is regarded by his constituents as both able and honest, and his constituents are not simply those of the party with which he has been identified, but republicans as well. He has the confidence of the voters of this county.—Granger.

Although Mr. Quackenbush didn't "belong"—as the Granger would put it—to the party we affiliate with, we can endorse the above. The Advertiser hadn't a word to say against Mr. Quackenbush, aside from his politics, during the campaign.

Rising From the Grave

A prominent manufacturer, Wm. A. Fertilizer, of Lucama, N. C., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have troubled me for years. Guaranteed at Hill Bros druggists, Price only 50c.

The two fourteen-year-old sons of Fred Clark and Frank West, living near Bracken, became of home recently and imagined they would have a better time some place else, so they skipped out Thursday of last week. They walked to Falls City, and then concluded they had enough of the free and independent life and started to return home. Their feet were pretty sore and they were stiff from walking so much, so they stopped at a farm house four miles south of S. Deroin and asked for work. The farmer suspected they had run away and told them he would give them something to do, and Monday morning had them help him butcher some hogs.

In the meantime the fathers of the two boys thought they would let the boys get good and tired of running away, and did not make any search for them until Saturday. They traced them to Nemaha and found they had gone south. Sunday evening they came to Nemaha and the next morning got a team and started south to hunt for them, and had no trouble in locating them. The boys had no objection to going home.

A Valuable Lesson

"Six years ago I learned a valuable lesson," writes John Pleasant, of Magnolia, Ind. "I then began taking Dr. King's New Life Pills, and the longer I take them the better I find them." They please everybody. Guaranteed at Hill Bros, druggists. 25c.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of Opium, Chloroform, or other unsafe ingredients commonly found in Cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by all dealers.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a

Some of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
