Rev. Mr. and Mrs. G. W. Ayers returned home Friday night from their visit to Butler and York counties. Rev. Ayers during his visit married a couple, the bridegroom being his brother-in-law, and preached in the old home church at Bradshaw, besides visiting his parents, sisters and brother, old friends, and his wife's parents.

A Crowded Lobby.

There certainly was a crowded house in the postoffice lobby last Friday afternoon. The lobby is 7x10 feet—just 70 square feet—and yet those who claim to have counted say there were 56 people crowded in that space waiting for the mail to be distributed. And perhaps they didn't make it pleasant for the postmaster during that time!

Blacksmith Thop Burglarized.

One day last week when W. H. Barker returned to the blacksmith shop after dinner he found the back door broken open, but supposed some one had broken in to grind an axe, and after making a few emphatic remarks went about his work. A day or so after that some one wanted some wagon spokes, but when Hank went after them he found them gone. Since then he has missed a bunch of double trees and two plow lays. He doesn't know how much stuff the fellow took. It was a pretty bold robbery. Snow was on the ground at the time the door was broken open and Hank noticed men's tracks leading to the door, and also tracks of a wagon that had been driven through the alley. He would like to get hold of the guilty fellow for a little while.

An Old Time Deed

While looking through some papers recently F. E. Hoover found an old deed given by his father, Jerome Hoover, to David Ulrui, to lots 3, 9, 10, 11 and 12 in block 1 and lot 1 in block 15 in Nemaha City, Nebraska Territory. The deed was dated August 30, 1856, and was acknowledged by B. B. Thompson, deputy clerk of the Third judicial district, Nebraska Territory. The blank deed was printed at the Advertiser office, then published at Brownville.

A Home Grown Lemon

The editor last Saturday, at the surprise dinner given at the home of Mr. and Mrs. E. L. Paris, ate a piece of lemon pie made from a lemon raised by Mrs. John M. Clark. Only one lemon was raised. The tree is two years old, and about two feet high. The lemon was a large one over eleven inches in circumference one way and over ten inches the other. The tree had two blossoms on but only one lemon set on and it matured fully.

Mr. and Mrs. O. B. Hill of Sterling, Nebr., came in Friday and visited Mr. Hill's brother, E. E. Hill, in Nemaha, and their sister and mother in Shubert until Monday.

The Advertiser last week was mistaken in saying Mr. and Mrs. Joe Harper went to Shubert Thursday evening on the freight. They expected to do so, but stopped at W. H. Barker's for supper and Mrs. Barker had such a good supper that Joe tarried at the table so long they missed the train. Pres Barker says he has his opinion of a man that is too slow to catch a freight, even when it is two hours behind time.

Hon. V. P. Peabody was discovered trying to catch a neighbor's chicken in broad daylight Monday afternoon, and what made it worse was that the chicken belonged to the Methodist minister, Rev. G. W. Ayers, who lives just across the alley. As usual with some men. Mr. Peabody tries to lay it all on his wife. They brought in a chicken from the farm a few days ago. Monday afternoon Mrs. Peabody told her husband, so he says, that this chicken, which was of the male persuasion, was in Bro. Ayers' chicken yard and was fighting the other chickens, and for him to go over and get the chicken and bring it home. Like an obedient husband, Mr. Peabody climbed over into the chicken yard, caught the chicken, threw it over the fence and was driving it home when Mrs. Ayers came out and told him he was driving her chicken away. Of course Mr. Peabody apologized and explained matters as best he could. He says this is the first time he has been caught stealing chickens since he came out of the army.
