**A Vivid Description of the Most Inidious of Diseases.**

Miss Emma Shirley, Killbuck, N. Y. writes: "Kidney disease mysteriously fastened itself upon me two years ago and brought awful headaches and dizzy spells. I was all unstrung, weak and nervous, could scarcely totter about. Pains in the side and back completely unnerved me. My food distressed me, I looked badly and the kidneys were noticeably deranged. I sank lower and lower until given up and at this critical time began with Doan's Kidney Pills. Details are unnecessary. Twelve boxes cured me and I weigh six pounds more than ever before. They saved my life."

**ENTICED BY THE BAR.**

**Strenuous Actions Mildly Explained by the Minister.**

Many stories are told of the eccentric doings and sayings of an old clergyman who lived in Maine some years ago. At one time there had been a fight among some men, one of whom was seriously hurt. A trial took place, and the old minister who had seen the affray was summoned as a witness.

"What was Salson doing?" was the first question.

"Oh, he was slashing around."

"Well, sir, just what do you mean by that?"

"Why, he was knocking about him here and there."

"Now, sir, kindly tell us plainly what Salson did to this man."

"Why, he—he enticed him," said the old minister slowly. "He enticed him with a crowbar. He used the crowbar to persuade the man—to entice him; and by a series of pokes and blows he succeeded in doing it," said the minister, mildly.

**THE STORY OF A WISCONSIN MAN IN WESTERN CANADA.**

Three Years Ago Worth Only \$2,000; To-Day Is Worth \$13,000.

The following is a copy of a letter, of which the Agents of the Canadian Government throughout the United States receive similar ones many times during the year:

Cayley, Alta., Dec. 7, 1906.  
Agent Canadian Government,  
Watertown, S. D.

Dear Sir:  
Your letter dated Nov. 27th at hand and was very glad to hear from you. I see that you are still at work persuading people to move into the Canadian Northwest. I must tell you that I owe you many thanks for persuading me to come out here, am only sorry that I wasn't persuaded sooner, and there is still plenty of good chances for many more right at the present time. I hope that you will be able to induce more to make a start out to this part of the country.

Now I must tell you what I have accomplished since I came out here and it won't be three years till the 1st of July. I shall shortly receive my patent for my homestead, the homestead cost me \$10.00 in all, to-day it is worth \$30.00 per acre, but it is not for sale. Then a year ago last May I bought 320 acres at \$7.00 per acre and sold this fall for \$20.00 per acre and cleared a profit of \$4,160.00. How is that for the Northwest? I now have 320 acres of land and all paid for, 15 head of horses, 30 head of cattle, 22 pigs, 2 sheep and about 150 chickens and other poultry, and all new machinery and everything is paid for. We also bought 8 lots in Calgary and 7 in High River. We gave \$470 for the 15 lots and they are paid for. At present I consider myself worth \$13,000.00, and when I left Wisconsin less than three years ago I had about \$2,000.00. This year I threshed a little over 4,000 bushels of grain, have about one thousand bushels of fine potatoes and about five hundred bushels of turnips. Mrs. Beisiegel sold about \$200 worth of garden truck and poultry this fall. Now there are lots of others in this community who did as well as I did in the same length of time.

The family and myself are all well at this writing and hope this letter will find you the same.

Yours very truly,  
(Signed) PHILIP BEISIEGEL,  
Cayley, Alta., Canada.

**Quite Desirable.**  
The Hold-up Man (as he takes large watch from victim's pocket)—I suppose you're thinkin' I'm a real undesirable citizen, eh?

The Victim—Nothing of the sort, old man! That watch you've just relieved me of was in my wife's family for 75 years and she forced me to lug it around.—Puck.

**SOMEWHAT OF A REFLECTION.**

**Naive Comment of Debutante That Amused Hostess.**

A charming hostess of one of the "big houses," as they are called by those who are welcomed into them, has the added beauty of premature white hair. That which seems to her contemporaries an added charm may appear to the crudely young a mark of decline, at least so it appears in one instance of which the hostess herself tells with enjoyment.

The lady is a connoisseur of antiques. At one of her teas a debutante rich with the glow of youth, but sadly constrained with her sense of novelty, was handed a cup of tea; the cup was beautifully blue and wonderfully old. The hostess desiring to lighten the strain on her youthful guest by a pleasant diverting remark, said: "That little cup is a hundred and fifty years old!"

"Oh," came the debutante's high strained tones: "How careful you must be to have kept it so long!"

**SCALY ERUPTION ON BODY.**

**Doctors and Remedies Fruitless—Suffered 10 Years—Completely Cured by Cuticura.**

"Small sores appeared on each of my lower limbs and shortly afterwards they became so sore that I could scarcely walk. The sores began to heal, but small scaly eruptions appeared. The itching was so severe that I would scratch the sores until the blood began to flow. After I suffered thus about ten years I made a renewed effort to effect a cure. The eruptions by this time had appeared on every part of my body except my face and hands. The best doctor in my native county and many remedies gave no relief. All this was fruitless. Finally my hair began to fall out and I was rapidly becoming bald. A few months after, having used almost everything else, I thought I would try Cuticura Ointment and Cuticura Soap. After using three boxes I was completely cured, and my hair was restored, after fourteen years of suffering and an expenditure of at least \$50 or \$60 in vainly endeavoring to find a cure. B. Hiram Mattingly, Vermillion, S. Dak., Aug. 18, 1906."

**Did Not Prevent Raveling.**

The raveling of state highways in Massachusetts during dry weather has generally been prevented in the past by spreading a thin coat of sand over the surface. During last year, however, there were two quite protracted dry spells which disturbed the bond of the road and caused loose stones to stand up on the surface. Although sand was spread thinly as before, it did not prevent the raveling in all instances.—Engineer.

**Vacation.**

The secret of rest is to get rid of detail for a time. Why is it that a sea voyage is regarded as the best of tonics? Simply because the entire change of surroundings wipes out the mass of complications attendant upon the daily routine of the ordinary worker. We all need occasional freedom from the bondage of the tiny strings that bind us to wearing tasks. The man who realizes this and plans his vacation accordingly makes no mistake.
