

Thousands Have Kidney

Trouble and Never Suspect it.

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Attention is called to the announcement of J. M. Burriss as a candidate for county treasurer, mention of which was made a few weeks ago. No one questions the qualifications of Mr. Burriss for the office to which he aspires. If elected the county will be served faithfully and efficiently in every respect.

The State Fair September 26, will have "Ducky" Holmes' Lincoln "Goslins" and the Sioux City "Duncanites" play Western League baseball before the grand stand at the race track at 10:15 a. m., on Tuesday, Wednesday and Thursday. This will give an opportunity for our boys to see if Western League ball is superior to our own brand.

If you are going to attend the State Fair and have no room in which to sleep, just write Secretary Whitten of the Commercial Club, Lincoln, and he will secure you a nice room for Fair week—September 26. A list of 3,000 rooms besides the natural hotel facilities will be secured, so there will be plenty of sleeping room for everyone.

That Railroad Stock

When the old Brownville & Fort Kearney Railroad Co., was organized, in 1870, a certificate of stock of the par value of \$100,000 was issued to Brownville precinct, this comprising the territory now in Brownville and London precincts. At the meeting of the county commissioners last week when the question of the rebate of taxes overpaid by the taxpayers of these precincts was before the commissioners some one remembered this old certificate and inquiry was made as to the present location of this certificate of stock and its present value, if any. The Brownville & Fort Kearney was merged into the Midland Pacific and this into the B. & M. It is not known whether this stock was transferred on the books of these companies or not. The county attorney was instructed to investigate the matter. The last heard of the certificate was in 1889 when it was placed in the vault of one of the Auburn banks by one of the county commissioners.

He Caught That Fish.

For several years past a number of fishermen who have been going over the river always came home and told about a wonderful big fish, which they hooked, but it always got away. It fell to the luck of Lou Renner, a former B. & M. engineer, to hook and land the big fish. He captured the biggest fish that has ever been hooked and landed in this section in years. It was a channel cat weighing 99 1-2 pounds and was brought up town last evening and put on exhibition in the front of Beuhler's butcher shop where it was examined by hundreds of persons. Mr. Renner caught the fish on a trot line, on which he had a large number of four hooks and was weighted down with a brick. The fish after being hooked had fought until it was high exhausted and Mr. Renner stuck a steel gaff into his gills and brought him ashore. He was caught near the head of the island above the water works station.—Neb. City News.

COUNTY REFUNDS \$6300 EXCESS IN TAXATION

To Taxpayers in Brownville and London Precincts

London and Brownville taxpayers were made happy Tuesday, by the action of the county commissioners, when that body decided to return the excess taxation, amounting to 17 mills. The record of the action of the board is virtually as follows:

Now on this 6th day of August, 1907, this matter came on for hearing upon the petition of Robert Moody, J. A. Lawrence, Benj. T. Skeen, A. L. Waltz, J. S. McKinney, W. K. Blount, B. F. McIninch and J. H. Stites, a committee of taxpayers of London precinct.

From the proofs on file the board finds that notice of the pendency of said petition and the time fixed for the hearing of the same has been duly published in the official paper for said county, and also in the Granger and Nemaha County Herald, all published, and of general circulation in Nemaha county.

On consideration of the evidence and records the board finds:

First—that during the month of June, 1906, this board made a levy of 25 mills on the dollar of the assessed value of all real, personal, and mixed property in London and Brownville precincts to create a sinking fund for the payment and liquidation of the London precinct bonds; that the amount of the levy should have been eight mills on the dollar instead of 25 mills; that said levy of 25 mills was excessive, and 17 mills thereof unnecessary and was erroneously and mistakenly made, and 17 mills of the 25 mills so erroneously made, paid by the taxpayers of said precinct, should be returned to said taxpayers.

It is therefore ordered that the county treasurer is hereby directed to refund or pay to the respective taxpayers of London and Brownville precincts 17 mills of the amount paid by them respectively on the levy of 25 mills made in June, 1906, for the payment of the London precinct bonds.

It is therefore ordered that the county treasurer take the receipt of the taxpayers for the amount so refunded, and that he require each taxpayer to produce and exhibit to him the tax receipt for the payment of taxes of 1906, and note thereon the amount so refunded.

By the above, each taxpayer in the county can at once observe the method of "getting his money back."

The total amount of excess taxation to be paid back to the taxpayers is \$6300, which fund will be set aside by the treasurer and each taxpayer will receive his share by the procedure above noted.—Herald.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop, Racine, Wis. The Restorative is sold by All Dealers.

New Millinery Firm.

Roberts & Dye is the name of the new firm which has been recently located in the balcony of the Daylight store. They will deal exclusively in millinery. The members of the firm are as follows, Miss Pearle Roberts, a former resident of Nemaha and daughter of Chas. Roberts, and Miss Blanche Dye of this city, a daughter of Geo. E. Dye. Miss Roberts came up from Nemaha Monday to assist in equipping the rooms. After the rooms are arranged the members of the firm will go to Kansas City to buy their stock and become acquainted with the newest and latest styles in hats. When they return from Kansas City they will have a grand opening, which will take place the first week in September.—Herald.

The Garnishment Law.

An Omaha correspondent says: According to a ruling made in county court by Judge Leslie the recently enacted exemption law which allows the garnishment of 10 per cent of a laboring man's wages for debt will not work unless he has either a homestead or \$500 over and above his wages.

This is allowed by another statute and the judge holds that the new law does not take away this exemption right.

The ruling was made in a suit brought by the Crane company against H. D. Lynch. Lynch had \$50 in wages coming to him and the plaintiff sought to get 10 per cent of this. Judge Leslie held that he had \$500 worth of personal property exempt before a cent of his wages could be touched.—Omaha News.

From our list of candidates published last week we unintentionally omitted the name of Wil Jones, who is a candidate for the fusion nomination for sheriff. As he is the only candidate who filed papers for either the democratic or populist nomination he will undoubtedly get the nomination.

One hundred and nineteen of our people went to Nemaha last Friday over the B. & M. in addition to the two or three hundred from this community who drove up, and they declare unambiguously that the picnic was the cleanest morally, and the best intellectually ever held on the grounds there.—Shubert Citizen.

HOW 50c EARNED \$100

Mr. A. Watzke, of Morris, Minn., says: "DEAR SIR: My driving mare got the heaves so bad I offered her for sale for \$15.00 and could not sell her. I have used Gold Coin Heave Powders on her for two months and now I wouldn't take \$125 for her. I highly recommend your Heave Cure." ANTON WATZKE.

SYMPTOMS OF WORMS The coat becomes rough; there is a dry hacking cough; the appetite is irregular, sometimes poor, other times craving; the bowels sometimes loose, other times constipated. A yellow mucus collects around the anus. The animal is likely to run down, become thin and poor, the breath generally has a foul odor; the belly may become large, "pot belly." The horse turns up its lips and rubs them against the wall, or flicks the manger and shows uneasiness. Worms may appear in such enormous numbers as to invade the stomach and become very dangerous to the animal. Where affected with Thread Worms, which affects the rectum, the intense itching causes the horse to rub its tail against the wall, or to keep switching it constantly.

DON'T LOSE MONEY Horses, colts, and other animals if stunted in their growth, unthrifty and misshapen by the clogging of worms in the stomach and bowels are not worth as much as thrifty, spirited, healthy, glossy coated horses. "Gold Coin Worm Powder" makes extra money for you by keeping your animals free from worms.
