Mr. and Mrs. Sanders arrived in Nemaha Thursday afternoon. After visiting here a few days they will go to house-keeping at Helvey. May their future life be one of happiness and prosperity and as the years come and go may they only serve to bind them closer together and make them one in thought, in purpose and in love.

Mrs. W. H. Barker has been staying at Shubert much of the time for the past ten days, helping take care of her mother, Mrs. Solon Cooper, who was injured by being thrown off a load of hay one day last week. She went with her husband to get a load of hay and as they were almost home the wagon passed over an obstruction, throwing both off. Mr. Cooper was not injured but his wife had her right wrist broken and her right hip dislocated and badly bruised. She is now improving and it is thought will get along all right.

Peru, Neb., Sept. 24.—Registration commenced at the state normal yesterday. Due to the increased entrance requirements, and the demand for the under-graduation at the normal as teachers over the state, it was thought the attendance would not be as large as last year, but judging from the number of students enrolled on the first day of registration some members of the faculty believe that the attendance will be fully as great as that of last year. It is expected that most of the students will be in town by this evening. Classes will meet tomorrow.—Lincoln News.

Sam Teare, candidate for county clerk on the fusion ticket, accompanied by Lady Dundas, was looking after his political interest in Nemaha precinct Wednesday afternoon.
