

## Often The Kidneys Are Weakened by Over-Work.

### Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend

In looking through some papers a few days ago we came across the first number of the Nemaha Times, a paper established here April 17, 1880, by Ben F. Sanders, the oldest brother of the Advertiser editor. The firm of Titus Bros.—Jas. A. and John F.—had just dissolved partnership. David Tourtelot, John S. Minick and Eli Terry were also dealers in general merchandise, and Wm. Drain ran the "Nemaha City Cash Store," carrying a stock of groceries, queensware, glassware, boots and shoes, hats and caps and hand made harness. The Chicago Lumber Co. had a yard here. J. J. Bender ran the drug store. Willing Bros. carried a full stock of hardware. Theo. Hill bought grain and sold agricultural implements. J. B. Rees had the livery barn. Levi Johnson was landlord of the City hotel and J. B. Hoover was also running a hotel in the brick where Earle Gilbert now lives. J. P. Crother was the shoemaker and harnessmaker. D. A. Morton, S. A. Huntington and Grant Clover were the blacksmiths. J. G. Gilliland had the barber shop. Peter Kerker was running a meat market. Jas. Kay, L. M. Foster and B. Bell Andrews were the physicians. J. W. Hubbell had just succeeded W. A. Swearinger as agent at the depot.

At the village election held the week previous John Blair, Peter Kerker, A. H. Scoville, Enoch Cummings and J. B. Hoover were elected trustees.

The following are some of the prices quoted by David Tourtelot: 10 lbs. a sugar and 11 lbs. c sugar for \$1; 7 lbs. good coffee, \$1; 10 lbs. apples, \$1; 10 lbs. peaches, \$1; coal oil, 15c; nails, 6c; one good broom, 15c.

Mr. and Mrs. Walter Curtright who live near Syracuse, are rejoicing over the arrival of a big boy, born Thursday night.

In order to be sure of the disease causing the death of Mrs. J. M. Sanders, there being some peculiar features connected with the disease, a post mortum examination was held on the body the day after death, there being present Drs. Keeling, Kay and Frazier of Nemaha and Lutgen of Auburn. Dr. Lorange of Auburn, who had been the consulting physician and who had pronounced the case cancer of the liver, could not be present, and at his request a portion of the tissue of the liver was sent to him and he sent a specimen to the state pathologist for microscopic examination. This authority pronounced it cancer of the liver, thus confirming the doctor's diagnosis.
