Mrs. Pishzak was shot above the heart and is in a critical condition.

Mrs. Pishzak is a stepdaughter of John S. Furnas of Brownville. Mr. and Mrs. Pishzak have been estranged for some time, but the tragedy has effected a reconciliation, and the husband watches at the bedside of the wounded woman at the hospital.

Thousands Have Kidney Trouble and Never Suspect it.

Prevalency of Kidney Disease.
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

A Large Land Deal

A deal was completed Wednesday whereby William C. Juhl becomes the owner of the west one-half of section 34, township 5, range 15—the north quarter section being the old Chris Shuck farm and the south quarter the old Zegefuse farm. This property was owned by Marshall Pryor. It lies three miles northeast of Nemaha. Mr. Pryor received \$87.50 per acre for the 320 acres—a total of \$28,000.

The same day Mr. Juhl also bought the old Jerry Marlatt farm of 80 acres of R. I. Brown, paying \$70 per acre for it—a total of \$5,600.

Mr. Juhl thus shows his confidence in Nemaha county land by investing \$33,600 in one day in farm land. He also owns the old J. W. Argabright farm of 200 acres in Asginwall precinct, so he is now the owner of 600 acres of Nemaha county farm land, all of it within less than six miles of Nemaha.

He Fought at Gettysburg

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took, for several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 or what they have done for me." Grand tonic for the aged and for female weaknesses. Great alterative and body builder; best of all for lame back and weak kidneys. Guaranteed by all druggists 50c.

Dan Maxwell has had one piece of good luck. A few months ago he bought the Fuller farm at referee's sale, but as there was some trouble about the title he had paid no money on it. Thursday he was offered \$600 for his bargain and accepted it. A clear profit of \$600, without having paid any money down, is pretty good, and Dan would like to run across a few more such bargains. We understand a Mrs. Robinson of Peru is the last purchaser.

Nemaha People in Montana

A recent issue of the Missoula (Montana) Herald contained an account of the meeting of the Golden Rod club, an organization of former Nebraskans. This club holds regular monthly meetings. The first meeting of the year was held on the evening of new year's day. At this meeting officers were elected, and we notice that J. H. Veeder, for four years principal of the Nemaha schools, was elected president. The other officers are W. E. Hassler, formerly of Pawnee City, vice president; Mrs. Carl Seeley, formerly of Lincoln, secretary; and John Valentine treasurer.

A committee was appointed to see about securing a hall, as it is expected the membership of the club will reach at least 100 before the end of the year.

The meeting in February will be held at the home of Mrs. H. A. Wheeldon, who was at one time a teacher in Nemaha, and who married Mr. Wheeldon here, her maiden name being Maud Moore.

A Fire at Stella

Stella Nebr., Jan. 6.—The old frame building north of the opera house and occupied by a barber shop and carpenter shop down stairs and Dr. G. M. Andrews' office in the front rooms upstairs, caught fire from a flue at 9:30 this forenoon. The fire was well started before it was discovered. The building was formerly fitted up for a hotel and was covered with galvanized iron roofing, which held the fire in and enabled the occupants to carry everything out with the exception of the large desk in the doctor's office. The heat was so intense that only great effort saved the Overman hotel and opera house, as the windows were broken in by the heat. The next building was occupied by Garrison Bros. as a confectionery and next was a buggy shop of F. H. Fankell. The contents of these two buildings were carried to the street and an effort was made to check the flames, which were threatening the Baptist church by blowing it up with dynamite. Then the crowd tore down the frame building used as living rooms and a milliner store of Lessie Colglazier and this gave a vacant space to fight the flames, which was confined to the buildings mentioned.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.
