

Ole G. Roderts received an eight-horse power gasoline engine Tuesday, to use on the farm for pumping water and for various other purposes to which an engine can be put on a farm. He bought it through W. W. Seid's agency.

Mrs. W. S. Maxwell of Webber, Kansas, gave this office a pleasant call last Tuesday, being in Nemaha on account of the death of Mr. Maxwell's mother, Mrs. Ann Maxwell. She says they all like Kansas fine, and are doing well.

Mr. and Mrs. Jacobs of Sterling, Ills., arrived in Nemaha Tuesday evening. Mrs. Jacobs is a niece of the late John Maxwell. They came to attend the funeral of Mrs. Ann Maxwell but on account of failure to make train connections did not get here until in the evening.

Wm. G. Hall, manager for the Edwards & Bradford Lumber Co. at Brownville, went to York, Nebr., Monday, where we understand he was united in marriage Thursday evening to a young lady of that place. Mr. Hall has his home all furnished and provisioned and the newly married couple will go to housekeeping as soon as they return to Brownville.

A lively time was had at the farm of F. E. Allen, of Bracken, last Sunday. The men were hauling in a load of fodder for the cattle. John Dreury started to light his pipe, but the match broke and the lighted head flew into the fodder, setting it on fire. The fodder and hay rack were burned but they managed to save the wagon. John says he isn't going to smoke any more—especially when he is hauling fodder.

Ray Anderson got considerably injured Monday morning. He was in the barn doing the chores. One of the horses got loose and jammed Ray up against a stone wall, almost crushing the life out of him. He was in great pain for awhile and it was feared he suffered internal injuries. Dr. Frazier was called and had to work with him quite awhile before he got him relieved. It is thought he will get along all right and suffer no bad effects.

Good For Everybody.

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c. at all drug stores.

Death of Mrs. Ann Maxwell.

Mrs. Ann Maxwell, widow of the late John Maxwell, died at her home near Nemaha on Sunday, March 22, 1908, aged 80 years, 11 months and 28 days.

Mrs. Maxwell was born in Bridgeton, Scotland, March 24, 1827. She was married to John Maxwell in 1847. In 1852, with her husband and two oldest children, she moved to America, settling first in New York state. Later they moved to Whiteside county, Illinois, and in 1868 they came to Nemaha county, Nebr. In January, 1869, Mr. Maxwell was selected by the county commissioners as the first superintendent of the poor farm, holding that position for over thirty years, until compelled to resign on account of age and failing health. During all of these years Mrs. Maxwell cared for the unfortunates as very few would have done. She won the affection of all who were under her care during these long years. Mr. Maxwell died in July, 1902. Since that time she has patiently waited for the call to come home and join her loved companion.

Mrs. Maxwell was an earnest christian, and her influence was wide spread. No one doubted her christianity. She was a charter member of the Methodist church of Nemaha when it was reorganized in 1882, and for years was one of the trustees and leading members.

Six sons and one daughter survive Mrs. Maxwell—John Maxwell of Menlo, Kas., Daniel W. and William G. of Nemaha, Neb., Walter S. of Webber, Kas., Alexander K. of Stillwater, Okla., Edward J. of Nemaha, and Mrs. Agnes Hacker of Nemaha. There are also 22 grandchildren and 7 great-grandchildren.

The funeral services of Mrs. Maxwell were held at the Methodist church Tuesday, at 3 o'clock p. m., conducted by Rev. D. B. Lake of Elmwood, Nebr., an old friend of the deceased.

Mrs. Maxwell's death is a great loss, not only to her family but to the entire community, and to the church of which she was a devoted member for so many years. She was an earnest Christian woman.

Remember that when the Stomach nerves fail or weaken, Dyspepsia or Indigestion must always follow. But, strengthen these same weak inside nerves with Dr. Shoop's Restorative and then see how quickly health will again return. Weak Heart and Kidney can also be strengthened with the Restorative, where Heart pains, palpitation, or Kidney weakness is found. Don't drug the stomach, nor stimulate the heart or kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell. Dr. W. W. Keeling.

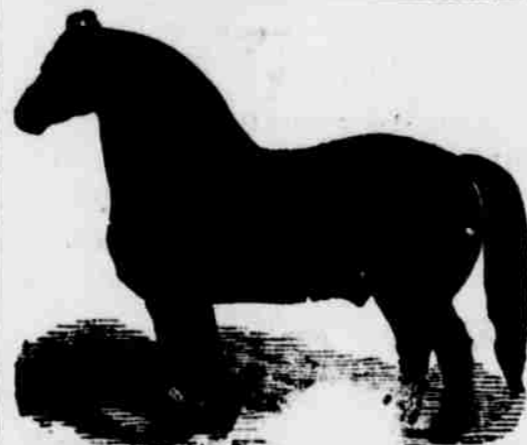

Card of Thanks.

We desire to return our thanks to the many friends for the kindly ministrations during the sickness and death of our mother. The helpful kindness and sympathy extended will ever be remembered.

French Charley doesn't like automobiles. A few days ago he was hauling a big load of cobs when Dr. Boal came along in his automobile. Before the machine got near Charley his horses began to plunge, and although the doctor stopped the horses did not let up until they broke the wagon tongue. Charley felt glad that he wasn't killed. The doctor came up where he was and helped him get straightened out and told him he would pay for getting the wagon tongue fixed, so Charley became reconciled.

If you would like to fool some wise Coffee Critic, who "knows fine Coffee on taste and flavor," quietly make for him a batch of Dr. Shoop's "Health Coffee" and serve it piping hot. It deceived Mrs. Shoop, and will I believe deceive any one. And there is not a grain of real Coffee in it. Health Coffee is made from pure toasted grains, malt, nuts etc. Made in a minute—no 20 to 30 minutes tedious boiling. 1 1-2 pounds 25 c. All dealers.

Tickling or dry coughs will quickly loosen when using Dr. Shoop's Cough Cure. And it is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. Dr. W. W. Keeling

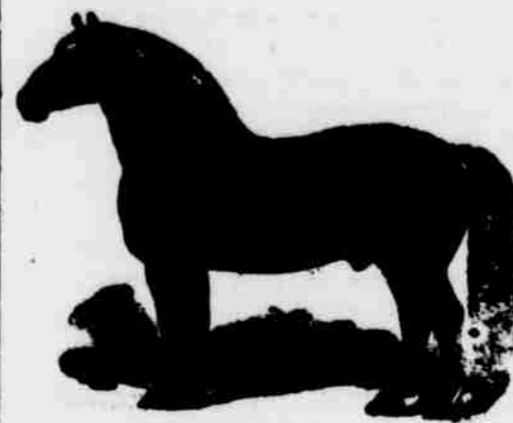

Expensive Fires.

A fire was destroying much timber in the woods in Aspinwall precinct, south of Weldon Shiveley's farm, Wednesday and Thursday and is still burning.

Thornt Keithley of Aspinwall precinct was burning stalks when the fire got away from him and burned twelve or fourteen tons of hay belonging to J. F. Ebnother.

The freight train from the west Wednesday night set fire to the grass on the north side of the track on this side of Allen's lake, but fortunately it did not do any damage. It was feared that it might spread to F. E. Allen's hay sheds and do much damage, and Elmer E. Allen drove out after 9 o'clock at night to see about it.

\$100.00 paid by Dr. Shoop for any recent case of grippe or acute Cold that a 25 cent box of Preventics will not break. How is this for an offer? The doctor's supreme confidence in these little Candy Cold Cure Tablets—Preventics—is certainly complete. It's a \$100. against 25 cents—pretty big odds. And Preventics, remember, contain no quinine, no laxative, nothing harsh nor sickening. Pneumonia would never appear if early colds were always broken safe and sure for feverish children. 48 Preventics 25 c. Dr. W. W. Keeling.

Best Healer in the World.

Rev. F. Starbird, of East Raymond, Maine, says: "I have used Bucklen's Arnica Salve for several years, on my old Army wound, and other obstinate sores, and find it the best healer in the world. I use it too with great success in my veterinary business." Price 25c at all drug stores.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

This most reliable remedy for coughs and colds, lagrippe, asthma, bronchitis and hoarseness, is sold under guarantee at all drug stores. 50c and \$1.00 Trial bottle free.
