

The Advertiser office recently received some more new type, and is better fitted than ever to do job work of all kinds. Call and see.

Agent Glenn sold 36 tickets to Auburn last Friday—mostly to persons going out to attend the Buell-Cowell trial, which was dismissed by the prosecution without going to trial. But this result was generally approved by all.

At a meeting of the board of trustees of the Methodist church, held after prayer meeting Thursday night, it was decided to build a barn on the parsonage property for the use of the minister. Jas. A. Stephenson and W. T. Russell were appointed soliciting committee and building committee. Almost enough money has been raised to build a good barn. Work will be commenced soon.

Shubert saloon advocates are having a hard row to hoe this spring. They placed a ticket in the field, but one man refused to run at the start and after Rev. J. W. Sapp's red hot temperance sermon Sunday night the other two fellows drew off. It was then too late to nominate another ticket even if any one could have been found to accept the nomination.

Frank Titus went to Sunday school last Sunday and the next day was asking everybody how many of the apostles had written a life of Christ. He had learned that at Sunday school (probably the first time he had been since he was a little boy) and he thought the news he had learned would be as unknown to others as it was to him. And in most instances he was correct in his surmise.

Dan Maxwell has been appointed administrator of the estate of his mother, Mrs. Ann Maxwell, and to finish the settlement of the estate of his father, the late John Maxwell. On the death of her husband Mrs. Maxwell was appointed administratrix, but a complete settlement had never been made, and Dan will now settle up the entire estate. No will was left and the estate will be divided equally between the seven heirs.

It is rumored that a colored gentleman is to be one of the mail clerks on this line, taking the place of Clerk Lee, and running from Nebraska City to Tecumseh and return each day. Clerks Metz, Hunt and Pepon, who will have to work with him, are making quite a kick over it, and are in hopes it is all rumor and will never materialize, although it is a fact that the darkey has received the appointment as mail clerk, under the civil service rules.

Good For Everybody.

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled, 50c. at all drug stores.

Notice of Village Election.

Notice is hereby given that on Tuesday, April 7, 1908, the annual election will be held in the village of Nemaha City, Nebraska, for the election of two (2) members of the board of trustees for the term of two years. The election will be held at the Advertiser office. Polls will be open at 9 o'clock a. m., and remain open until 7 o'clock p. m.

MARSHALL WEBB, Chairman.
ELMER E. ALLEN, Clerk.

The saloon question is the leading issue in most of the surrounding towns at next Tuesday's election. Peru and Johnson, however, are like Nemaha in one respect. This question is never an issue in either of these towns—in Peru and Nemaha because the sentiment is so strong against the saloon that no effort has been made to get one of these dens of infamy for years, and in Johnson because the sentiment is so strong the other way that the few opponents of saloons don't even stand up to be counted.

As Mr. and Mrs. Harry Rowen were driving to town Wednesday evening the horse tried to run away on the street south of V. P. Peabody's residence and almost upset the buggy. A tin pail filled with eggs was tipped so about a third of the eggs rolled out and scattered along the road. Harry went back after they got to their destination and got 44 good eggs. He didn't count to see how many were broken.

Mr. and Mrs. R. I. Brown returned home Monday morning from Pawnee county, where they went Thursday evening to attend the funeral of their old friend Andrew Scott, father of their son-in-law, Frank Scott. Mr. Scott was apparently in his usual good health when he retired Wednesday night. The next morning he was found dead in his bed, with a slight smile on his face and with no indications of a struggle. Death had evidently been instantaneous, probably from apoplexy. He was a prominent farmer and stock raiser of Pawnee county, highly respected by all. He was a member of the legislature for sessions of 1899 and 1901.

We had our attention called to fact that we failed to notice two gatherings recently. Two weeks ago last Sunday 45 of Scott Colerick's neighbors gathered at his home, with loaded baskets, and gave Scott and his bride a royal reception, making Mrs. Colerick feel at home and glad that she had come to such a neighborhood. It was a surprise on both of them. As we did not learn of this gathering until Tuesday night, we have a good excuse for not mentioning it.

The other one was a week ago Sunday and was at the home of Marshall Webb, in honor of his birthday. We were invited, but had made arrangements to go elsewhere, so did not have the pleasure of attending, and then forgot to mention it. Marshall felt good for several days over the feast he enjoyed—after he got over the immediate effects.

Remember that when the Stomach nerves fail or weaken, Dyspepsia or Indigestion must always follow. But, strengthen these same weak inside nerves with Dr. Shoop's Restorative and then see how quickly health will again return. Weak Heart and Kidney can also be strengthened with the Restorative, where Heart pains, palpitation, or Kidney weakness is found. Don't drug the stomach, nor stimulate the heart or kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr. Shoop's Restorative and get well. A simple, single test will surely tell. Dr. W. W. Keeling.

Tickling or dry coughs will quickly loosen when using Dr. Shoop's Cough Cure. And it is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. Dr. W. W. Keeling.

Mrs. Rufus Rowen started in to make some soap Tuesday afternoon. She had Rufe put on the big iron kettle and start the fire. When it got to boiling good Rufe had to call for help, as the prospective soap began to expand and run out of the kettle. Mrs. Rowen sent him over to Henry Clark's and borrowed a large kettle. In a short time this was full. Still the soap continued to swell. Mrs. Rowen filled her tub, then her stove kettle, then a dishpan, crocks, etc. But the soap persisted in running over. She then sent over to Mrs. Yackly's and borrowed a tub. This was filled, and still there was more. After filling more dishpans and other receptacles she managed to get the soap all made up, and found she had over one hundred gallons of fine soap. Now she is figuring on where she will find room to spread it out to dry. She is thinking of going into the soap making business and competing with the big soap manufacturing concerns. If the dogs hadn't got a lot of her soap grease Rufe thinks he would have had to have got some water tanks to have held the soap. He takes much of the credit to himself and Louie Kerker for the fine lye he got on Louie's recommendation to make the soap. But Mrs. Rowen says it was the right time of the moon for making soap. Anyway she has the soap to show.

\$100.00 paid by Dr. Shoop for any recent case of grippe or acute cold that a 25 cent box of Preventives will not break. How is this for an offer? The doctor's supreme confidence in these little Candy Gold Cure Tablets—Preventives—is certainly complete. It's a \$100. against 25 cents—pretty big odds. And Preventives, remember, contain no quinine, no laxative, nothing harsh nor sickening. Pneumonia would never appear if early colds were always broken safe and sure for feverish children. 48 Preventives 25 c. Dr. W. W. Keeling.

ANCONA

Recorded No. 13955. Ancona was foaled June 20, 1904, stands 18 hands high and weighs 2000 pounds, is a dapple bay with style and action like a coacher.

Sunlight

Black jack with white points, foaled in 1904; 15 hands standard, 15 1-2 tape. Sired by Waters' Jumbo 15, he by IXL 16 hands, he by imported Flambard 16. Sunlight's dam was a fine Kentucky jennet, pedigree lost. This jack has a good large foot and bone, heavy body, good head and ears. Covered 46 mares last year and 75 per cent of them are with foal. Sunlight is of good ancestry. His sire sold for \$2000.

This horse and jack will make the stand this season at my place two miles south and west of Nemaha, six days in the week.

TERMS—\$15 to insure a mare in foal to Ancona. \$10 to insure a mare in foal to the jack. If mare is sold, traded or about to be removed, money becomes due at once. This part of contract will be strictly enforced.

All care will be taken to prevent accidents, but will not be responsible should any occur.

HENRY SEID, Owner

Mr. and Mrs. Walter S. Maxwell started for their home in Jewell county, Kansas, Wednesday evening. While here Walter paid us for a year's subscription to the Advertiser, as they feel they cannot do without the oome paper.

Mrs. O. E. Houtz, teacher of the A. K. Sunday school class, gave the members of the class a reception Wednesday evening at the home of Mr. and Mrs. C. P. Scovill. Forty-five members of the class were present. Without a single exception every one present seemed to enjoy themselves. Refreshments of ice cream in cones was served, mixed in in some with cotton batting just to remind the victims that it was All Fool's day.

The Christian Sunday school at Nemaha and Shubert have had a contest during the past quarter to see which school would make the greatest gain in attendance and collection over the previous quarter. Last Sunday closed the contest. The Sunday school in Nemaha was the winner and certainly made a remarkable record, especially considering the fact that the first quarter in the year is usually a dull quarter, and the attendance generally falls off. The total attendance for the quarter ending Dec. 31 was 751; for the quarter ending March 31 the attendance was 1077—a gain of 321. The collection for the quarter ending Dec. 31 was \$26.80 and for the quarter ending March 31 \$53.28—a gain of \$26.80. The percentage of gain in attendance was 43 plus and in collection was 98 plus—a total gain of 142 per cent over the previous quarter. The Shubert school made a good showing, but we did not get the figures. The figures include the birthday money in each quarter.

If you would like to fool some wise Coffee Critic, who "knows fine Coffee on taste and flavor," quietly make for him a batch of Dr. Shoop's "Health Coffee" and serve it piping hot. It deceived Mrs. Shoop, and will I believe deceive any one. And there is not a grain of real Coffee in it. Health Coffee is made from pure toasted grains, malt, nuts etc. Made in a minute—no 20 to 30 minutes tedious boiling. 1 1-2 pounds 25 c. All dealers.

Best Healer in the World.

Rev. F. Starbird, of East Raymond, Maine, says: "I have used Bucklen's Arnica Salve for several years, on my old Army wound, and other obstinate sores, and find it the best healer in the world. I use it too with great success in my veterinary business." Price 25c at all drug stores.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Dr. Shoop's Restorative

No One To Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. "I would not be alive to-day only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease ever after the case is pronounced hopeless." This most reliable remedy for coughs and colds, lagrippe, asthma, bronchitis and hoarseness, is sold under guarantee at all drug stores. 50c and \$1.00 Trial bottle free.
