

Harry Baldwin returned to Verdon Monday.

In the notice of the golden wedding of Dr. and Mrs. W. W. Keeling, last week, we failed to mention one of the handsome presents received. Mrs. Lizzie Keeling and her mother gave the doctor and his wife a handsome set of dishes. This present was greatly appreciated by both, and especially so by the doctor, who is fond of good things to eat, and thinks that things taste better in nice dishes than in common looking ones.

Mrs. Elizabeth Murr of Brownville gave The Advertiser office a call Tuesday. She informs us that a sacred song recital will be given at the Methodist church at Brownville Sunday afternoon at 3 o'clock. In addition to solos, duets, quartets, choruses by forty voices, music by stringed instruments, etc., there will be an address on ancient music by Rev. G. W. Hawley and on modern music by Mrs. Alice A. Minick. A very interesting program has been prepared. The people of Nemaha are invited.

Bena Rebekah lodge held its regular semi-annual installation of officers Wednesday evening, when the following officers were installed:

Adelia Russell, N. G.  
Pearl Burns, V. G.  
Louise Stephenson, Sec.  
Belle Dressler, Treas.  
Minnie May, Chaplain.  
Ella Hartwig, Warden.  
Alice Peabody, Conductor.  
Maude Burns, I. G.  
J. A. Stephenson, O. G.  
Fannie Yackly, R. S. N. G.  
Mary Maxwell, L. S. N. G.  
Mollie Rowen, R. S. V. G.  
Lester Russell, L. S. V. G.

After lodge ice cream and cake were served.

We believe the action taken at the school meeting in adding another teacher for next year is a wise one. Nothing helps a town more than good schools. Few of the children in this district will have the advantage of attending any other school than the one in Nemaha, and for this reason we should provide facilities for giving them the very best education possible in their home schools. A few dollars additional taxation each year counts for little when compared to the great benefit to be gained.

In this connection it has been suggested by a property owner in Nemaha, and one who has no children of school age, that the Nemaha district vote bonds and build an upper story on the present school house, thus giving us six rooms for school purposes, and then ask adjoining districts to consolidate with us. His suggestion was heartily seconded by one of the larger taxpayers of the town, who also has no children of school age.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effects of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. Dr. W. W. Keeling.

### The Annual School Meeting

The annual school meeting on Monday night was well attended by the men. Few ladies were present.

The annual report of the secretary and treasurer showed that something over \$3100 had been expended during the past year. Of this amount \$1305 was for teachers' salaries and \$185 for the janitor. The furnace cost about \$900, new seats for the intermediate department about \$150, and other permanent improvements have been made. The district is out of debt and has about \$142 in the treasury and about \$150 due the district in the county treasury.

There were two members of the school board to elect for the full term, to succeed F. L. Woodward and J. I. Dressler, and one member for two years to succeed J. M. Clark. After a number of ballots Frank Titus and W. H. Barker were elected for three years and J. A. Stephenson for the two year term.

John I. Dressler advocated a twelve grade school for Nemaha. A motion was made that the school board be instructed to employ one more teacher for the ensuing year, leaving it for the board to decide as to the number of grades carried. After considerable discussion this motion carried.

It was estimated that it would require \$2,500 to run the school for the next year, and on motion this amount was voted.

It was voted to have nine months' school, beginning the first Monday in September.

It was voted to give the teachers three days' vacation in November, to enable them to attend the state teachers' association.

The running expenses of the schools in Nemaha will be considerably more next year than in the past year. The salaries of the teachers have been increased \$20 per month, making an increase for the year of \$180. An additional teacher will be employed, to teach the seventh and eighth and perhaps ninth grades, at an expense for salary of probably \$50 or \$60 per month—a total of \$450 to \$540 for the year. Then a building for a school room will have to be rented. In addition to this, more books will have to be bought for the higher grades, the additional room will have to be provided with desks, stands, etc., it will cost more for fuel, and there will be other incidental expenses. But we believe it will pay, and the expenses will be met without the aid of blood money from saloon license.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.

### Lament For the Old Days

An exchange publishes the following:

"How times have changed! When we were young people had bad colds, soaked their feet in hot water and got well. Now they have grip, take quinine and feel sick all summer. Then they had sore throat, wrapped a piece of fat pork tied up in an old sock, tied it around the neck at night and went to work the next morning. Now they have tonsilitis, a surgical operation and two weeks in the house. Then they had stomach ache, took castor oil and recovered. Now they have appendicitis, a week in the hospital and six feet due east and west and six feet perpendicular. They worked then, they labor now. In those days they wore underclothes; now they wear lingerie. Then they went to a restaurant; now they go to a cafe. Then they broke a leg; now they fracture a limb. People went crazy then; they have a brain storm now. Politicians paid good hard cash for support; now they send government garden seeds. Yes, times have changed, and we all change with the times. That's progression."

### Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

### Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fall, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these tissues—re-establish them as needed, with
