

Announcements.

I hereby announce myself as a candidate for representative from Nemaha county, subject to the decision of the republican voters of the County, at the September primary.

G. S. CHRISTY.

Johnson, Neb.

I hereby announce my candidacy for the nomination of representative for the Third representative district of Nebraska, subject to the decision of the republican voters of Nemaha County, at the primaries to be held September 1st, 1908.

E. C. YONT.

Brock, Neb.

I hereby announce myself as a candidate for representative from the 3rd legislative district, subject to the approval of the republican voters at the September primaries. Furthermore, believing that the voters are entitled to know my position on questions that are likely to be in issue before the next legislature, I announce, that I am strongly in favor of a county option law, as being the best method of dealing with the liquor traffic under present conditions. I also favor the principle of guaranteed bank deposits, allowing, however, each individual bank to exercise the option of accepting or rejecting its benefits.

W. D. ABBOTT.

Peru, Neb.

As we go to press Friday morning a drizzling rain is falling.

Mrs. Joe Harper of Auburn is the guest of Mrs. C. P. Barker this week.

Sam Littrell has bought D. E. Littrell's barber shop and will endeavor to accommodate the public.

Harry Russell's eyes have been troubling him for some time. Last Friday he went to St. Joe and had an operation performed and a growth on the eye-balls removed. He returned home Monday.

Clyde Hill, who went to Falls City a few weeks ago and has been working in the Journal office, has been promoted to the foremanship of that office. Clyde is a good steady young man and we are glad to hear of his advancement.

We had a good rain Tuesday night, accompanied by a little hail and some hard wind. North of here trees were broken down, wheat stacks blown over, and other damage done. The hail was destructive in the neighborhood west of Brownville, ruining corn for S. Horterman, A. L. Lawrence, M. M. McComas and others.

Runaways seem to be of frequent occurrence. Last Saturday Walter Collin got ready to drive to town. His wife got in the buggy but before Walter could get in the horse ran, going around the barn, upsetting the buggy and then breaking it badly. Mrs. Collin was bruised some but was not much injured. The buggy, which had been used but a few times, is a wreck.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effects of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. Dr. W. W. Keeling.

The Old Settlers' Picnic

The Twentieth Annual Reunion and picnic of the Nemaha County Old Settlers' association held here Wednesday was a great success. The attendance was about the same probably as last year,—enough to fill the park comfortably, besides about 500 at the ball game and lots of people on the streets.

The rain the night previous cooled the atmosphere somewhat and laid the dust in good shape.

Everything advertised was given except the male quartet, which was to have been furnished by the band, but they failed to get them. To make up for this there was instrumental solos by Miss Helen Hitte, juggling acts, and performances by Baby Albertena, the 7-year-old contortionist and acrobat.

The program was the best ever given at one of these picnics. The First Regimental band of Hiawatha, Kansas, is a good one and gave plenty of music, both during the day and at night. The ladies' quartet of Peru was all right and they certainly gave splendid satisfaction. The same can be said of the singing by Mrs. Day, the instrumental music by Miss Hitte, and the readings by Miss Mae Jones.

Hon. G. W. Berge made a fine address in the afternoon. He was followed by Senator Burkett, whose address, as is always the case, was a splendid one. These gentlemen are certainly fine entertainers, and the people of Nemaha are always glad to listen to them.

The base ball games were satisfactory to the lovers of the game. The first game was won by the Atchison team by a score of 6 to 0, and the second game by the Omaha team by a score of 5 to 2.

The concert in the evening was well attended and greatly enjoyed. This will probably be made a feature in the future.

The politicians and candidates were out in great force.

Geo. D. Carrington, jr., acted as president of the day and made a most excellent presiding officer.

F. E. Hoover had a nice display of fruit on the picnic grounds, in charge of J. H. Littrell. He had a display of peaches, plums and grapes that were pronounced by fruit men to be the finest they have seen this year. The display was a most creditable one. Geo. Yackly also had a plate of fine seedling peaches,—great big ones.

John R. Mann and family have arranged to move to Brownville in September. A few weeks ago R. T. Rainey, whose wife was Mrs. Mann's sister, passed away and his children now insist that the Manns occupy the residence. The residence is a large two-story brick, and is situated on a plot of ground containing thirty-one lots set out to fruit. Mr. Mann will leave his stock, etc., at the farm which he has rented to Brice Cox, formerly of this neighborhood but who is now living at Rapid City, South Dakota. The Mann family have lived on this farm for twenty-seven years.—Stella Press.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.

An Old Settler Paralyzed at Picnic.

Mrs. Mary Kettell had a stroke of paralysis on the picnic grounds Wednesday forenoon and is lying at her home in a precarious condition. She came in town with her daughter and son-in-law, Mr. and Mrs. C. H. Stanley, with whom she makes her home. She got out of the wagon and started in the grounds with Mrs. W. T. Russell. When in the park only a short distance, Mrs. Kittell was stricken with paralysis and fell over against Mrs. Russell. Dr. Frazier was called, the patient was taken to the home of A. G. Warren, and everything possible done for her relief. Thursday morning she was taken home. She is partly conscious. The right side of her head and her left arm are affected. She was feeling a little better Thursday with a possibility of her recovery.

In an article three weeks ago, regarding the schools, we made a serious mistake in our figures on taxation. Taking Ed. Moore's fine farm as a sample, we said it was valued for assessing purposes at \$100 per acre, and the difference between last year's school tax and this would amount to only about 15 cents per acre, provided there was a 25 mill levy this year. We were thinking when we wrote the article that the valuation was the same as last year, but this is not correct. For the past four years this farm was valued for assessment purposes at \$8,000, and was assessed at 20 per cent of this, or \$1,600. Last year the school tax at 17 mills was \$27.20 or a fraction over 24 cents per acre. This year the land is valued at \$12,000 and assessed at \$2,400. The school tax at 25 mills will be \$60, or a fraction over 54 cents an acre. The increase of this year's tax over last year's will be 30 cents an acre, instead of 15 cents, as our figures showed three weeks ago. But Ed does not object to the increased tax and says he is willing to pay this, but doesn't want to run the district in debt. Neither do we.

Mrs. Thomas Teare, Mrs. Clyde Teare and the former's eight-year-old granddaughter, Mona Teare of Nebraska City, were returning from Auburn last Thursday evening, driving a team hitched to a buggy, when a tug came down, hitting one horse which caused it to run. Theon two more tugs came unfastened and believing the four were loose, Mrs. Clyde Teare threw down the lines thinking she had not better try to hold the runaway horses. Then the ladies noticed that one tug was still fastened to the buggy. They managed to again get hold of the lines, and although the horses ran a mile with but one tug fastened to the buggy, the ladies were able to keep them in the road and finally stopped them when going up a hill. The buggy tongue was broken twice, but otherwise the runaway was without damage.—Stella Press.

To stop any pain, anywhere in 20 minutes, simply take just one of Dr. Shoop's Pink Pain Tablets. Pain means congestion—blood pressure—that is all. Dr. Shoop's Headache—or Pink Pain Tablets—will quickly coax blood pressure away from pain centers. After that, pain is gone. Headache, neuralgia, painful periods with women, etc. get instant help. 20 tablets 25c. Sold by Dr. W. W. Keeling.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Catarrh

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel capped glass jars at 50c. Such soothing agents as Oil Eucalyptus, Thymol, Menthol, etc., are incorporated into a velvety, cream like Petroleum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means also use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bloating, belching, biliousness, bad taste, etc. surely call for Dr. Shoop's Restorative. For uncomplicated catarrh only of the nose and throat nothing else, however, need be used but
