

Now Walk!

Not pleasant, is it?

The sole of the ordinary shoe is as stiff, as unyielding as a board.

Every step you take, your foot bends; the sole of your shoe bends *scarcely at all*. The ball of your foot, bearing the entire weight of your body, rubs against the sole.

This rub, rub, rub is what makes your feet "draw," burn, ache!

The Red Cross Shoe bends with the foot

follows its every movement, just as a glove moves with the hand. It entirely prevents the burning and drawing caused by stiff soles. It gives a sense of ease, of freedom you can't conceive of until you have worn it.

Try the Red Cross now, today.

Get style and comfort; get both.

We have it in all styles—High Shoes, \$4 and \$5; Oxfords, \$3.50 and \$4.

Equally to be considered is Mr. Bryan's comment in his speech at Joliet this week:

"I think too much of the next generation to stop my efforts to rid this country of the evil of private monopoly. I am willing to go down on my knees every morning and say to my Father in Heaven, 'Give us this day our daily bread,' but God forbid that I should make my countrymen go down on their knees at morning and say to a trust magnate, 'Give us this day our daily bread,' and have him answer, 'I will, if you vote the ticket I want you to.' You cannot afford to fasten that sort of a system on this country or on any other country."

Reports that come into Polard's headquarters at Lincoln point unmistakably to a big increase in the vote of the able representative of the First district will poll this year over previous campaigns. It is no longer a question of victory, but of the size of the majority.

A petition pledging the signers to vote for members of the legislature only those favoring county option was recently circulated in Nemaha by F. L. Woodward and Elmer E. Allen, and was signed by 108 voters. Since then T. B. Frazier of Auburn and Ray W. Weaverling of Peru have been nominated by petition for representatives and are making an active campaign.

Both T. J. Majors and J. H. Dundas, candidates for the senate, favor county option, so no nomination was made for that place.

For float representative Theodore Smith, republican candidate, favors county option, and C. W. Pool, fusion candidate, opposes it.

Armstrong, republican candidate for representative from this county, and Skeen, democratic candidate, refuse to state their position on the question. Boyd and Heaton, the other two candidates, are understood to oppose county option.

Voters favoring county option should vote for Smith, Frazier and Weaverling.

Col. T. J. Majors of Peru, republican candidate for state senator from the second district, was in the city Tuesday, and favored us with a call. Col. Majors is going to be elected by one of the handsomest majorities ever accorded a candidate for the position for which he aspires.—Tecomseh Chieftain.

Death of Judge Broady.

Judge J. H. Broady died at his home in Lincoln last Thursday, the result of a stroke of paralysis. The Judge was well known in Nemaha county, having located in Brownville at an early day. He held several positions of trust and always with credit to himself and his constituency.

Judge Broady was united in marriage November 2, 1871, to Miss Nannie McDonald of Rock Springs, Pa. To this union there were born seven children—Anna, Grace, Bracton, John Calvin, Jefferson Hoover, Joyce and Beatrice, all of whom survive him but the last named.

The funeral services were held Sunday, the remains being laid to rest in Wyuka cemetery at Lincoln. All of the children were in attendance.

THE ISSUE AND PARTY RECORD.

Will the People Trust Experimentalists and Theorists? (From Sherman's Speech of Acceptance.)

The overshadowing issue of the campaign really is: Shall the administration of President Roosevelt be approved, shall a party of demonstrated capacity in administrative affairs be continued in power, shall the reins of government be placed in experienced hands, or do the people prefer to trust their destinies to an aggregation of experimental malcontents and theorists, whose only claim to a history is a party name they pilfered?

With a record of four decades of wise legislation; two score years of faithful administration; offering its fulfilled pledges as a guaranty of its promises for the future, the Republican party appeals to the people and, with full confidence in their wisdom and patriotism, awaits the rendition of the November verdict.
