Some Foolish People

Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50 cents and \$1 Trial size free. All Druggists.

THE SONG OF THE "No. 9"

My dress is of fine polished oak,
As rich as the finest fur cloak,
And for handsome design
You just should see mine—
No. 9, No. 9.

I'm beloved by the poor and the rich,
For both I impartially stitch;
In the cabin I shine,
In the mansion I'm fine—
No. 9, No. 9.

I never get surly nor tired,
With zeal I always am fired;
To hard work I incline,
For rest I never pine—
No. 9, No. 9.

I am easily purchased by all,
With instalments that monthly do fall,
And when I am thine,
Then life is benign—
No. 9, No. 9.

To the Paris Exposition I went,
Upon getting the Grand Prize intent:
I left all behind,
The Grand Prize was mine—
No. 9, No. 9.

At the Universal Exposition of 1889, at Paris, France, the best sewing machines of the world, including those of America, were in competition. They were passed upon by a jury composed of the best foreign mechanical experts, two of whom were the leading sewing machine manufacturers of France. This jury, after exhaustive examination and tests, adjudged that the Wheeler & Wilson machines were the best of all, and awarded that company the highest prize offered—the GRAND PRIZE—giving other companies only gold, silver and bronze medals.

The French government, as a further recognition of superiority, decorated Mr. Nathaniel Wheeler, president of the company, with the Cross of the Legion of Honor—the most prized honor of France.

The No. 9, for family use, and the No. 12, for manufacturing use, are the best in the world to-day.

And now, when you want a sewing machine, if you do not get the best it will be your own fault. Ask your sewing machine dealer for the No. 9 Wheeler & Wilson machine. If he doesn't keep them, write to us for descriptive catalogue and terms. Agents wanted in all unoccupied territory.

FRANK CAMPBELL'S

Sewing Machines and Organs

I keep constantly on hand the WHITE sewing machine, walnut, oak or mahogany. The new Rotary Shuttle is the lightest running, most noiseless and fastest sewer of any machine ever made. I have the ESFEY Organ always in stock. All musicians know this to be one of the best Organs made by any manufacturers. If you want a Sewing Machine or an Organ don't let some traveling sharper take you in. He will be sure to charge you two prices for inferior goods. No matter what guarantees he will give you they are not as good as you can get from a permanent dealer in your own locality. I will take orders for Pianos and give the very lowest price and most liberal terms.
