## Royal Baking Powder

## Is Absolutely Pure

W HILE there are so many alum baking powphysicians decide render the food unwholesome and liable to produce dyspepsia and other ailments, housekeepers should exercise the utmost care to prevent any powder but the Royal from being brought into their kitchens.

In the use of Royal there is an absolute certainty of pure and wholesome food.

The official State Chemists report: The Royal Baking Powder does not contain ammonia, alum, lime, nor any injurious ingredients. It is absolutely pure and wholesome.

The Government reports show all other baking powders to contain impurities.

In the use of any baking powder but Royal there is uncertainty if not actual danger

It is unwise to take chances in matters of life and health.

Gentlemen :-I desire to make a brief statement for the benefit of the suffering. I had been afflicted with catarrh of the head, throat and nose, and perhaps the bladder for fully twenty-five years. Having tried other remedies without success, I was led by an advertisement in the Sentinel-Democrat to try Hall's Catarrh Cure. I have just finished my fourth bottle, and I believe I am right when I say I am thoroughly restored. I don't believe there is a trace of the disease left. Respectfully,
